MEETING
January 21, 2021

1 PRESIDENT FOREMAN: Good evening. My name
2 is Ghian Foreman. I am the president of the
3 Chicago Police Board. I'm calling the Board's
4 January 21st public meeting to order.

5 To protect the public's health in
6 response to the COVID-19 outbreak, and as
7 permitted by Governor Pritzker's Executive
8 Orders 2020-07 and 2021-01, this meeting is
9 taking place remotely. This meeting is open to
10 the public via audio conference and is being
11 carried live by CAN-TV. Those participating by
12 phone are on mute in order to reduce background
13 noise and disruptions. We have a court
14 reporter making a transcript of this meeting.

15 I will begin by taking attendance
16 so it is clear who is participating. Please
17 say here after I read your name.

18 Police Board Vice President Paula
19 Wolff.

20 VICE PRESIDENT WOLFF: Here.

21 PRESIDENT FOREMAN: Board Member Matthew
22 Crawl.

23 BOARD MEMBER CROWL: Here.

24 PRESIDENT FOREMAN: Board Member Michael

1 noise and disruptions. When we get to the
2 public comment portion of the meeting, we will
3 unmute each speaker.

4 Is there a motion to approve the
5 minutes of the Board's December 17th regular
6 public meeting?

7 VICE PRESIDENT WOLFF: This is Paula Wolff.
8 I make the motion to approve the minutes.

9 BOARD MEMBER EADDY: Michael Eaddy.
10 Second.

11 PRESIDENT FOREMAN: All in favor, please
12 signify by saying aye.

13 (CHORUS OF AYES.)

14 PRESIDENT FOREMAN: Any opposed?

15 (NO RESPONSE.)

16 PRESIDENT FOREMAN: The motion passes.

17 The schedule of the Police
18 Board's monthly public meetings for 2021 has
19 been set and is available on the Board's
20 website, ChicagoPoliceBoard.org.

21 The next regular public meeting
22 will be held Thursday, February 18th, at 7:30
23 p.m. Whether this will be an in-person meeting
24 or remote meeting will be determined closer to

1 the date of the meeting.

2 Is there a motion to close a
3 series of executive sessions for the purposes
4 of considering personnel matters and litigation
5 as authorized by Sections 2(c)(1), (3), (4),
6 and (11) of the Illinois Open Meetings Act?

7 VICE PRESIDENT WOLFF: This is Paula. I so
8 move.

9 BOARD MEMBER EADDY: Michael Eaddy.
10 Second.

11 PRESIDENT FOREMAN: All in favor, please
12 say aye.

13 (CHORUS OF AYES.)

14 PRESIDENT FOREMAN: Motion passes.

15 A report of the disciplinary
16 actions taken by the Board during the previous
17 month has been made available on the Board's
18 website.

19 There are two disciplinary
20 matters to announce this evening. Board
21 members O'Malley and Zopp will make these
22 announcements. John O'Malley.

23 BOARD MEMBER O'MALLEY: Thank you,
24 President Foreman.

1 Pursuant to Section 2-78-130 of
2 the Municipal Code of Chicago, I considered one
3 matter on which the Chief Administrator of the
4 Civilian Office of Police Accountability and
5 the Superintendent of Police did not agree
6 regarding the discipline of two police
7 officers.

8 In request for review numbers
9 21-01 and 21-02, Chief Administrator Roberts
10 recommended that Police Officers Anthony
11 Spicuzza and Robert Garduno be suspended for 30
12 days for handcuffing a juvenile for an
13 excessive amount of time.

14 Superintendent Brown recommended
15 that these allegations be classified as
16 exonerated.

17 After considering this matter, it
18 is my opinion that the Superintendent met the
19 burden of overcoming the Chief Administrator's
20 recommendations for discipline.

21 A copy of the written opinion
22 will be posted on the Board's website as
23 required by the Municipal Code.

24 PRESIDENT FOREMAN: Thank you. Board

1 member Zopp.

2 BOARD MEMBER ZOPP: Thank you, Ghian.

3 Pursuant to Section 2-78-130 of the Municipal
4 Code of Chicago, I considered one matter on
5 which the Chief Administrator of the Civilian
6 Office of Police Accountability and the
7 Superintendent of Police did not agree
8 regarding the discipline of the police officer.

9 In Request for Review number
10 21-03, Chief Administrator Roberts recommended
11 that Police Officer Cedric Taylor be suspended
12 for 180 days for using excessive force during
13 an arrest.

14 Superintendent Brown disagreed
15 with certain findings and recommended a 10-day
16 suspension.

17 After considering this matter,
18 it is my opinion that the Superintendent met
19 the burden of overcoming the Chief
20 Administrator's recommendation for discipline.

21 A copy of the written opinion
22 will be posted on the Board's website as
23 required by the Municipal Code.

24 PRESIDENT FOREMAN: Thank you. The recent

1 incident concerning Anjanette Young has brought
2 renewed focus on police accountability.

3 While I will not comment on the
4 specific situation, because a disciplinary case
5 may come before the Board, and it will be
6 inappropriate to comment on it until the Board
7 reviews the evidence, the public's reaction to
8 the search has highlighted the concern that
9 many have about the accountability process.

10 The Board has, over recent
11 months, intentionally used our monthly public
12 meetings to shine light on the accountability
13 process.

14 In October, we invited the
15 Independent Monitor overseeing the consent
16 decree to present to our Board the elements of
17 the Consent Decree and emphasize its importance
18 to improving the accountability process.

19 Last month, the Deputy Inspector
20 General for Public Safety described the report
21 on one element of the accountability process
22 that she had just released.

23 Tonight, the Board has decided
24 that it would be appropriate to make a

1 statement about our role in the accountability
2 process and some steps that we are taking to
3 address the concerns that we have.

4 The Police Board is one of four
5 entities in the accountability process.

6 The complaints against Chicago
7 police officers can be filed with the Civilian
8 Office of Police Accountability, or COPA, the
9 Police Department or the Office of the
10 Inspector General, the OIG.

11 Most complaints are investigated
12 either by COPA or the Police Department's
13 Bureau of Internal Affairs.

14 In addition, the OIG can
15 institute a review on its own and issue a
16 separate report on its investigation.

17 The Police Board is sent the most
18 serious cases - those in which there is a
19 recommendation to discharge an officer from the
20 Chicago Police Department.

21 Also, when there is a
22 disagreement about discipline between COPA and
23 the Superintendent, the case is sent to one
24 Board member of the Police Board to resolve the

1 disagreement, as you recently heard two cases
2 tonight.

3 All discharge cases filed with
4 the Board are assigned a hearing officer to
5 hold an administrative hearing. The entire
6 video and the transcript of the hearing must be
7 watched and read by each member of the Board.

8 The Board members then meet and
9 discuss the case. The Board's decision is
10 announced at our monthly meeting and a written
11 decision explaining the reasoning of the Board
12 is published on our website.

13 A short video explaining this
14 process is available on the Police Board's
15 website both in English and in Spanish.

16 The Board, COPA, and the OIG are
17 now required by the Consent Decree to meet
18 quarterly to discuss important issues on
19 accountability process and to make
20 recommendations to the Police Department and
21 City Council about how to improve the process.

22 During recent meetings, we have
23 identified three important issues.

24 First, the investigations of

1 complaints take too long to be resolved.

2 The Board has mentioned in its
3 decisions in the last several years that
4 investigations are taking too long to get
5 resolved. It can be frustrating for officers
6 who are charged, for those filing complaints,
7 and for the members of the public whose
8 confidence in the accountability process is
9 threatened by these delays.

10 The Board has met with COPA, the
11 Police Department staff in charge of
12 investigations and the Office of the
13 Corporation Counsel in the Mayor's Office to
14 try to ascertain why the investigations take so
15 long and to express our interest in getting
16 them resolved more quickly.

17 We do not feel that enough
18 progress has been made, even after those
19 meetings.

20 The Board then requested that
21 when a case is sent to us, it includes a
22 timeline to indicate how long it took COPA,
23 CPD, and the Corporation Counsel's Office to
24 process the case. We make these timelines

1 public.

2 The Board also publishes on its
3 website the record of the cases and what the
4 history of the timing is. Sometimes, for
5 example, there's a court case that takes
6 precedence over the case moving to the Board.

7 The second issue we have
8 identified is that there have recently been
9 significant disagreements between COPA and CPD
10 as to whether searches and seizures by police
11 officers have violated the Fourth Amendment and
12 Department policy.

13 Over the last two years, more
14 than a dozen such disagreements have been
15 referred to a Police Board member to resolve.

16 The third issue is, as a recent
17 report from the OIG highlighted, the
18 requirement that the complaint include an
19 affidavit from the complainant causes many
20 investigations to not be completed. The OIG
21 report indicated that there is a process to
22 override the affidavit requirement which is
23 used far too infrequently.

24 While the Board, as I have

1 mentioned, is only one player in the
2 accountability process and is at the end of the
3 process, we are impatient to address these
4 issues and others. To do this, last summer in
5 the wake of the George Floyd murder, the Board
6 engaged a law firm, pro bono, to research how
7 to address these issues and others in the
8 accountability process.

9 The firm is planning to deliver a
10 report to the Board by the summer of 2021. At
11 that time, we will exercise the power vested in
12 the Board by the City ordinance which states,
13 "The Board in its discretion shall have the
14 authority to make recommendations to the
15 Superintendent of Police and to the chairman
16 of the City Council Committee on public
17 safety...concerning revisions in policy and
18 operating procedures to increase the efficiency
19 of the Department of Police," as well as the
20 Board's authority to adopt rules and
21 regulations for the governance of the Police
22 Department. We will make recommendations to
23 CPD and Alderman and Chair of the Public Safety
24 Committee of the City Council Taliaferro to

1 improve the accountability process.

2 We look forward to sharing our
3 recommendations for change at our public
4 meetings and to receive feedback from the
5 public and all stakeholders in the
6 accountability process.

7 The Board has also conducted a
8 search for new hearing officers to conduct over
9 police disciplinary hearings. We received 26
10 applications for the position. Our selection
11 process included completion of an extensive
12 application form, submission of a writing
13 sample, two rounds of interviews with
14 candidates, conversations with candidates'
15 references and others in the legal communities,
16 and a background check. As required by the
17 Consent Decree, we evaluated candidates based
18 on the selection criteria that are published on
19 our website.

20 Is there a motion to designate
21 Michael Panter and April Perry as Hearing
22 Officers?

23 VICE PRESIDENT WOLFF: This is Paula. I so
24 move.

1 BOARD MEMBER EADDY: Michael Eaddy.

2 Second.

3 PRESIDENT FOREMAN: All in favor, please
4 signify by saying aye.

5 (CHORUS OF AYES.)

6 PRESIDENT FOREMAN: Any opposed?

7 (NO RESPONSE.)

8 PRESIDENT FOREMAN: The motion passes.

9 To further implement the
10 requirements of the consent decree and to make
11 other changes to the process for handling
12 disciplinary cases, proposed amendments to the
13 Board's rules of procedure have been drafted.
14 We have made announcements at prior public
15 meetings and we posted drafts on our website
16 for public comment. We plan to consider the
17 final draft at next month's public meeting.

18 As announced at last month's
19 public meeting, proposed amendments to the rule
20 governing suspensions of officers precluded
21 from lawfully carrying a firearm have been
22 drafted. The purpose of these amendments is to
23 permit officers to retain medical coverage so
24 they may address medical issues while they are

1 on desk duty. We posted a draft on our website
2 for public comment and did not receive any
3 comments.

4 Is there a motion to approve the
5 draft amendments to Article 8 of the Rules and
6 Regulations of the Chicago Police Department
7 that has been posted on the Board's website as
8 a part of the agenda for this meeting?

9 BOARD MEMBER WOLFF: This is Paula. I'll
10 make that motion. I think it makes sense for
11 officers to be able to have access to medical
12 attention at the same time their FOID card has
13 been suspended.

14 BOARD MEMBER EADDY: Michael Eaddy. I
15 second.

16 PRESIDENT FOREMAN: All in favor, please
17 signify by saying aye.

18 (CHORUS OF AYES.)

19 PRESIDENT FOREMAN: Any opposed?

20 (NO RESPONSE.)

21 PRESIDENT FOREMAN: The motion passes.

22 The general orders and other
23 directives issued by the Superintendent during
24 the previous month are posted on the Police

1 Department's website.

2 I now ask Superintendent Brown if
3 he would like to give your oral report.

4 SUPERINTENDENT BROWN: Thank you, Mr.
5 President.

6 I have just a few comments if you
7 have time.

8 First, I'd like to start with
9 thanking the members of the Chicago Police
10 Board for your commitment and the time that it
11 requires for you to -- and the effort for these
12 virtual meetings.

13 I also want to recognize the
14 members of the public that regularly
15 participate in these public meetings.

16 And I assure you, the public
17 commentary, that your voices are being heard
18 and your dedication to making this City better
19 does not go unnoticed.

20 And so tonight I would like to
21 begin by speaking a little bit about a
22 front-of-mind topic that's been on everyone's
23 minds in Chicago, carjackings, which has
24 obviously been one of the priorities for our

1 Department throughout last year and this year
2 as well.

3 In 2020, there were 1400
4 incidents. Our officers arrested over 1100
5 people for those incidents of vehicular
6 carjackings. Over the past five years, there
7 have been 4,300 vehicular hijacking incidents.
8 And during that five-year period, Chicago
9 police officers have arrested 10,219 offenders
10 for these crimes.

11 So far this year, 2021, there
12 have been 144 vehicular hijackings, and Chicago
13 police officers have arrested 104 offenders for
14 these crimes.

15 In addition, so far this year,
16 Chicago police officers have recovered 611 guns
17 and 9 officers have been shot at by offenders.
18 This is on top of 2020's over 11,000 guns
19 recovered and 79 officers shot at with 10
20 officers being shot in 2020.

21 So despite that, vehicular
22 carjackings are a regional and national issue
23 that both urban and suburban cities are
24 experiencing across the country.

1 Motives include joyriding and to
2 facilitate anonymity while committing other
3 crimes, including robbery and shootings.

4 Our plan here at CPD is a
5 comprehensive approach, an expanded vehicular
6 hijacking task force, collaboration with other
7 City departments, regional law enforcement
8 collaboration and coordination, working with
9 our suburban departments, a focus on stronger
10 prosecutions with the Cook County
11 Sheriff's -- Cook County State's Attorney's
12 Office, with judges and our federal law
13 enforcement partners, collaboration with
14 agencies to provide youth intervention of known
15 juvenile offenders, and finally public
16 engagement to include crime tips and an
17 awareness campaign.

18 One of the troubling aspects of
19 these spikes in vehicular highjackings, besides
20 the victimization, are the number of young
21 people who are involved in vehicle hijacking,
22 with the youngest being 12 years old, with the
23 largest age group of vehicle hijack offenders
24 being between the ages of 15 and 20.

1 We all need to work together in
2 the community to ensure that strong advocates
3 for our youth try to reach our young people to
4 help them make better decisions.

5 There is a better pathway for
6 these young people if we would just be able to
7 convince them to do the right thing. Law
8 enforcement cannot do this part alone. We need
9 everyone, teachers, mentors, coaches, parents,
10 the faith community and others to help us reach
11 our young people.

12 One of my fears has been for the
13 victim of these vehicle hijackings and the fact
14 that our dedicated brave officers committed to
15 stopping these carjackers will confront a young
16 person, maybe a 12-year-old, with a gun that
17 leads to an unthinkable tragedy.

18 So, again, our officers are
19 dedicated and brave in confronting these armed
20 suspects. They are being shot at. We arrested
21 last year over 1100 vehicular hijacking
22 offenders of the 1400 incidents. And so far
23 this year 144 vehicular hijackings have
24 occurred and we arrested 104 offenders.

1 And I will just close with this.
2 We all want to give our young people a second,
3 third, fourth, fifth chance. We all want to
4 try to reach and hope they make better
5 decisions.

6 But our priorities at the Chicago
7 Police Department is for the victims. And we
8 are doubling down on our efforts to ensure that
9 there are strong consequences when we prosecute
10 the people we arrest so that we can tamp down
11 the spike in vehicular hijackings.

12 Thank you so much for your time.

13 PRESIDENT FOREMAN: Thank you,
14 Superintendent. Chief Roberts.

15 CHIEF ROBERTS: Mr. President, it's Sydney
16 Roberts, Chief Administrator. I think you
17 called on me. I wasn't sure. I'm having a bad
18 connection.

19 PRESIDENT FOREMAN: Yes. If you would like
20 to provide your oral comments.

21 CHIEF ROBERTS: Thank you so much. We've
22 got a lot of people speaking today, so I will
23 be very, very brief. Just some highlights.

24 As we wind down 2020, just for

1 December, we opened approximately 90 new cases
2 for investigation.

3 In the month of December, we
4 brought to conclusion 83 investigations, a
5 little over 20 included sustained findings, 5
6 of which we asked for the officer to be
7 terminated from police services.

8 And at the end of 2020, COPA
9 brought to conclusion 1,518 investigations that
10 fell within our jurisdiction.

11 In February, we will be able to
12 give a highlight to our end-of-year report for
13 2020. Thank you.

14 PRESIDENT FOREMAN: Thank you, Chief.

15 As we move to the public comment
16 section of the meeting, I would like to remind
17 everyone of the Board's policy and
18 participation at these meetings. We value your
19 comments and questions on police-related
20 matters, and we will treat you with courtesy
21 and respect. We expect all members of the
22 public to treat everyone at this meeting in a
23 similar manner. Please note that personal
24 attacks and obscene language are strictly

1 prohibited, and that repeated violations of the
2 Board's policy may result in the violator not
3 being permitted to participate in future board
4 meetings.

5 Before I call upon each speaker
6 who signed up in advance to speak, each
7 speaker, when I call upon you, I need you to
8 press *6 to unmute yourself.

9 Before I do that, as I stated
10 earlier, we had over 5,000 people signed up to
11 speak today. The majority of the people are
12 speaking relating to Police Officer John
13 Catanzara, so I wanted to make a statement.

14 To date, no charges against John
15 Catanzara has been filed with the Police Board.
16 Last month, one member of the Police Board
17 considered a disciplinary matter involving John
18 Catanzara in which the Chief Administrator of
19 the Civilian Office of Police Accountability
20 and the Superintendent did not agree.

21 The reviewing board member
22 determined that a hearing before the Board is
23 necessary to determine whether Officer
24 Catanzara violated any of CPD's rules of

1 conduct.

2 The next step is for charges to
3 be prepared by the Corporation Counsel's Office
4 and filed with the Board by the Superintendent.

5 Once charges are filed with the
6 Board, the role of the Board, like that of a
7 court of law, is to undertake a thorough review
8 of the case and render a fair, unbiased
9 decision based only on the evidence presented
10 at a hearing.

11 Transparency is a high priority
12 throughout the Board's disciplinary process.
13 Once a case is filed with the Board, the
14 charges and the date the case is scheduled for
15 hearing will be posted at our website,
16 ChicagoPoliceBoard.org.

17 All of the Board's disciplinary
18 hearings, like trials in court, are open to the
19 public.

20 After the Board decides a case,
21 it takes a public vote on the decision where
22 each board member's vote is announced and
23 recorded. Then the Board publishes on its
24 website the written findings and decisions,

1 which includes a detailed explanation for the
2 reasons for the Board's action.

3 I will now call upon those
4 members to speak. In fact, Max, if I can ask
5 you or Jazmyne to call it, because I'm not sure
6 that I have this list.

7 EXECUTIVE DIRECTOR CAPRONI: Yes, I'd be
8 happy to do that.

9 So the first speaker on the list
10 is Oneal Johnson. And, again, please press *6
11 to unmute yourself.

12 PRESIDENT FOREMAN: Oneal Johnson. Max, go
13 to the second speaker.

14 EXECUTIVE DIRECTOR CAPRONI: The next
15 speaker is Steven Belstra.

16 PRESIDENT FOREMAN: Next speaker.

17 EXECUTIVE DIRECTOR CAPRONI: Attorney
18 Zedrick Braden.

19 PRESIDENT FOREMAN: Next speaker, please.

20 EXECUTIVE DIRECTOR CAPRONI: Fourth speaker
21 is Eunice Chatman-Regis.

22 PRESIDENT FOREMAN: You can press *6. Next
23 speaker. Okay. I saw some of these speakers.
24 Perhaps they're having trouble unmuting.

1 EXECUTIVE DIRECTOR CAPRONI: The next
2 speaker, Lori Burns.

3 MS. BURNS: Hello?

4 PRESIDENT FOREMAN: Ms. Burns. Ms. Burns
5 Welcome back to you. We have Ms. Eunice
6 Chatman-Regis, I believe.

7 MS. CHATMAN-REGIS: Sorry. There was
8 something wrong with my connection. I am so
9 sorry.

10 PRESIDENT FOREMAN: No worries.

11 MS. CHATMAN-REGIS: Good evening. Thank
12 you for your past concerns to the issues
13 regarding our community.

14 Unfortunately, the problem
15 continues to persist despite the repeated
16 efforts of the Eberhart 79th Block Club members
17 and our numerous 911 calls.

18 Family Fresh Market located at
19 457 East 79th Street continues to be a haven of
20 illegal drug sales, loitering on the public way
21 outside the store by ten or more persons who
22 block the sidewalk.

23 They do not practice social
24 distancing or wear masks as requested by Mayor

1 Lightfoot and Governor Pritzker and numerous
2 health professionals.

3 Inclement weather has not
4 hindered their activity. They still loiter,
5 have illegal drug sales, et cetera.

6 When the police are called and
7 respond, the loiterers disperse momentarily
8 only to return later that same day.

9 They flee and hide in the foyer
10 of the multi-unit apartment buildings located
11 at 7905 and 7909 South Eberhart.

12 The owner of those buildings has
13 been contacted. He says he will have the
14 custodian take care of it; however, that
15 individual is complicit in the behavior of the
16 loitering because he engages in the same
17 activity he is asked to diffuse.

18 Several tenants have moved out
19 out of concern for their safety and livelihood
20 and refusal of the custodian to address the
21 complaints regarding suspicious activity,
22 loitering and drug sale that the tenants
23 witnessed.

24 Recently a building at the 7900

1 block of Eberhart was purchased and is
2 currently being rehabbed.

3 As I was returning home in the
4 afternoon, the new owner asked me what was
5 going on at the store at 457 East 79th Street.
6 I explained the above issues, that our block
7 club has been trying to combat for several
8 years. He felt that case was -- that was the
9 case, because his workers keep going back and
10 forth to that store, coming back smelling like
11 marijuana, acting like they're under the
12 influence of something that's not alcoholic.

13 Is there no remedy or relief from
14 this? There are many children on our block,
15 and we continue to have our quality of life
16 jeopardized by these miscreants.

17 The 6th District police efforts
18 have been ineffective. It is winter now where
19 we'd expect in the coming months warmer
20 weather. Today with the warm weather, we had
21 to call 911 because of the bigger crowd that
22 congregated there, including men and women.

23 Thank you for your time and have
24 a blessed evening.

1 PRESIDENT FOREMAN: Thank you very much.
2 Superintendent, this was -- Ms. Chatman was
3 speaking kind of fast, but basically 79th and
4 Eberhart, and we've heard of this before.
5 Would you like to make a comment?

6 SUPERINTENDENT BROWN: Yes, I certainly
7 would. I anticipated the 6th District being on
8 point and I have that leadership here directly,
9 and they were given word that this has been a
10 pervasive issue for some time.

11 And, Chief McDermott, would you
12 like to call on the commander or do you got it?

13 CHIEF McDERMOTT: No, I got to talk to
14 Commander Ben. She'd like to address this for
15 the speaker.

16 COMMANDER BEN: Good evening to Ms.
17 Chatman. Can you guys hear me?

18 PRESIDENT FOREMAN: Yes.

19 COMMANDER BEN: We were given this
20 information and we are working on this. We do
21 have our CAPS officers doing quality-of-life
22 missions over here at that store, and we gave
23 the address of 7905 and 09 that will be given
24 to our Troubled Buildings to take a look at as

1 well. And licenses will be given information
2 about the Fresh Mart store.

3 PRESIDENT FOREMAN: Thank you very much.
4 Ms. Lori Burns, if you can unmute now. Thank
5 you.

6 MS. BURNS: Thanks so much. Good evening.
7 Thank you for addressing our concerns. The
8 communication problems raised last month with
9 our 6th District CAPS team hasn't been resolved
10 yet but have been acknowledged. So, thank you,
11 Commander Sonora Ben, Officer Tatum and Beverly
12 Williams.

13 Residents look forward to
14 partnering with our new commander and the CAPS
15 community team to support excellent effective
16 communications and results.

17 Secondly, is there a protocol for
18 carjacking victims and CPD to follow? If so,
19 how is it being communicated?

20 My elderly neighbor was a victim
21 of this terror last Wednesday, January 13th, at
22 1:00 p.m. The 911 operator said a car would
23 not be sent and they were instead transferred
24 to a phone number that was never answered.

1 They made an in-person report at the police
2 station but were not given a follow-up contact
3 to share the security video footage with.

4 Within the last hour, our CAPS
5 officer shared a phone number with me for the
6 vehicle carjacking task force.

7 So when and how will this
8 information be shared with the public so that
9 victims can be empowered and that we're
10 operating with consistency?

11 Lastly, please find that Mr.
12 Catanzara should be terminated. Chicago and
13 our democracy deserve better. Thank you very
14 much.

15 PRESIDENT FOREMAN: Thank you. I see
16 speaker number three here, but I can't quite
17 see the name. Zedrick perhaps. Is there a
18 Zedrick? We'll pass on that one.

19 We're going to go to Jennifer
20 Edwards. If you can unmute, Ms. Edwards.

21 MS. EDWARDS: Good evening, everyone. Can
22 you hear me?

23 PRESIDENT FOREMAN: Yes, ma'am.

24 MS. EDWARDS: Okay. We are so pleased that

1 the 3rd and 6th Districts are collaborating on
2 their crime-fighting efforts. Both of the new
3 commanders and their staff have reached out to
4 community members many times. They have
5 planned a neighborhood walk-about, that's my
6 name for it, for tomorrow, Friday, where many
7 neighbors will be attending. The walk-about is
8 in one of the areas of concern with numerous
9 crime problems. We will be addressing east
10 75th Street from the 500 block to Cottage Grove
11 where numerous illegal parties have been
12 reported.

13 Can we call attention to a party
14 reported last night on the 623, 624 CAPS beat
15 call? The address is 7533 South Evans.

16 The community person reports
17 numerous calls are constantly made and the
18 police just drive by.

19 We again hope that the
20 collaboration and our reporting will show the
21 need for more police assigned to the 3rd and
22 6th Districts.

23 Also, can you push for COVID-19
24 vaccines for the essential workers and officers

1 in these districts? They face the general
2 public on a daily basis. Thank you.

3 PRESIDENT FOREMAN: Thank you very much.
4 Superintendent, before I call the next speaker,
5 can you comment -- this is being viewed on
6 CAN-TV. For carjackings, where should someone
7 call? Is it just a regular 911? What is it
8 that people should do specifically since this
9 is something that we're seeing a lot of right
10 now?

11 SUPERINTENDENT BROWN: Call 911 if you are
12 the victim of a carjacking and report your car
13 stolen immediately. The sooner the car is put
14 in the system, the best chance we have catching
15 the offenders. The offenders, once they
16 carjack someone, we found they only keep those
17 cars a few hours before they dump them and move
18 on to something else. So we have a short
19 window. So any delay in reporting that to 911
20 really is -- makes it very difficult for us to
21 catch the carjacking offender.

22 Secondly, you can always contact
23 your district, either the CAPS office or the
24 front desk of your district, to report any kind

1 of suspicious behavior. I would encourage you
2 to attend beat meetings. I would encourage you
3 to become familiar with your DAC chairs so that
4 we can be part of the crime tips and awareness
5 campaign as it relates to carjackings as well.

6 So it's not to go to the
7 district. If you're carjacked, call 911 if
8 you're carjacked or your vehicle is stolen or
9 otherwise so that we can capture the offender
10 as soon as possible. But also become part of
11 the crime tip and awareness campaign at your
12 district level.

13 PRESIDENT FOREMAN: Thank you. Next
14 speaker, Matthew Brandon.

15 MR. BRANDON: Good evening, President
16 Foreman, members of the Board, Superintendent
17 Brown, Command Staff and Chief Roberts.

18 Communities Organized to Win
19 continues its work of bringing police and
20 community together so that we, as partners, can
21 develop strategies and solutions to the issues
22 that plague our communities.

23 No doubt about it, people are
24 afraid. This past summer of public unrest,

1 which led to the reduction of manpower in our
2 police districts, did not go unnoticed.

3 Our communities felt, and
4 rightfully so, frustrated by lack of response
5 to their calls for service. Recent comments
6 made by the current president of FOP have
7 served notice to our communities that if they,
8 FOP-supportive officers, cannot police like
9 they want to, then they won't police.

10 Some of the issues raised this
11 evening support that notice, no cars responding
12 to numerous calls, a car showing up and just
13 passing by without stopping or officers getting
14 out of their vehicles.

15 We want you to know that we want
16 to support the police, but we want to support
17 the police who want to serve our communities.
18 If they don't want to be here, get them out.

19 We will not go back to the knees
20 on our necks or the shots in our backs or
21 I-thought-it-was-a-gun defense.

22 Policing must change and we stand
23 ready to achieve that change.

24 We also acknowledge that we, the

1 communities, have to do our parts. We know it
2 takes two.

3 I want to say to all on this
4 call, I want you to know the recent promotions
5 made by Superintendent Brown have given us a
6 new hope that change is coming. I encourage
7 you all to work with your commanders and CAPS
8 teams because change can come to your
9 communities, too.

10 In our 6th and 3rd police
11 districts, change is real. In the 3rd
12 District, Commander Watson and his staff, along
13 with Sergeant Wilson and her CAPS team, have
14 reached out to us personally.

15 We are updated on initiatives and
16 strategies being developed that will directly
17 confront the issues we bring forward.

18 The same can be said for
19 Commander Ben and her staff, along with
20 Sergeant Hughes and her CAPS team.

21 These leaders also take from
22 their busy schedules to speak directly to
23 members of the --

24 PRESIDENT FOREMAN: Sorry. I know I'm

1 going to get in trouble, Mr. Brandon, for
2 muting you, but we have over 5,000 speakers
3 tonight, so we're holding firm to our time
4 limits today. Thank you very much for your
5 comments.

6 I think one of the things,
7 Superintendent, you heard me say this before,
8 that we certainly tell you when things are not
9 going right, and I think it's important that
10 your team also hears the positive improvements.
11 So thank you very much to your team. Mr.
12 Brandon just spoke very specifically about some
13 of those.

14 Next speaker, Brad Redrick.

15 MR. REDRICK: Good evening and thank you
16 for letting me speak. I'd like to say hear,
17 hear to that last speaker indeed.

18 So I want to bring to your
19 attention the community organizing position of
20 the 4th District that has recently been vacated
21 due to retirement by the former organizer
22 Antonio Salazar who did a very fine job before
23 he retired.

24 In the 4th District before we had

1 no organizer for about three years, and it has
2 really yielded pretty tragic results. We're
3 really behind in our organizing and working
4 with the police department.

5 We need to get that filled. And
6 we've been told that an impediment to that is
7 the -- there's a freeze on hiring in the City.

8 The 4th District is a huge
9 district. It also has a sizable
10 Spanish-speaking population, as well as the
11 rest. And so, in fact, it needs two
12 organizers. But it has no organizer now.

13 We're not able to position
14 ourselves to help the Police Department in ways
15 that the Superintendent just expressed, needing
16 to help in connections with the youth and
17 whatnot.

18 So our quality of life in the 4th
19 District is supremely hampered by this vacancy,
20 and we hope that you all will do everything
21 that you can to get that position filled so we
22 can work in team with the Police Department to
23 drive down this violence. Thank you for
24 hearing me.

1 PRESIDENT FOREMAN: Thank you very much.
2 Superintendent, any comment?

3 SUPERINTENDENT BROWN: Yes. I'll have
4 Chief McDermott, Chief of Patrol, follow up
5 through the Board and contact you directly on
6 how we can take care of filling that position.
7 Even if there isn't a budget for that
8 particular position, there may be some other
9 things we can do. Let Chief McDermott, Chief
10 of Patrol, follow up with you here in the next
11 couple of days.

12 PRESIDENT FOREMAN: Max, if you can make
13 sure to get Chief McDermott Mr. Redrick's
14 contact information, that would be great.

15 EXECUTIVE DIRECTOR CAPRONI: Will do.

16 PRESIDENT FOREMAN: Next speaker, Mr. John
17 Perryman.

18 MR. PERRYMAN: Yes. Before my time begins,
19 I'd like a report -- good evening, everyone.
20 I'm sorry. I'd like a report from the
21 Superintendent regarding the drug market next
22 to Garfield Park.

23 PRESIDENT FOREMAN: Do you want to make
24 your comment?

1 MR. PERRYMAN: I'd like to hear what the
2 Superintendent has to say first.

3 PRESIDENT FOREMAN: Superintendent?

4 SUPERINTENDENT BROWN: Sure. Mr. Perryman,
5 I have, I believe, the commander of the 11th
6 District here now, and we have talked about
7 this. Obviously, you know, we've had several
8 Police Board meetings where you brought these
9 same issues -- similar issues up, and we have
10 a new commander there, and I'm going to turn it
11 over to him directly to answer your questions.

12 COMMANDER MCKENZIE: Good evening, Mr.
13 Perryman. This is Commander McKenzie. We
14 spoke earlier today. I spoke to you last week.
15 And in regards to the conversation about the
16 drug sale on Lake Street by St. Louis, I spoke
17 to the commander of narcotics today and
18 regarding that -- the mission -- the mission
19 over there is almost complete. Without
20 jeopardizing the mission that's almost in its
21 final stages, they're waiting -- they have
22 already identified 20 targets, which they are
23 going to make an arrest, and they're just
24 waiting for approval. Once that is complete,

1 I'll give you a call and inform you of that.

2 Also, in that area, this summer,
3 what we have done to prevent issues over there,
4 we have enforced parking permit -- parking
5 restrictions on Lake Street from Hamlin all the
6 way to Central Park from 6:00 p.m. to 6:00 a.m.
7 on Friday through Monday mornings. Also 1133
8 is going to give special attention to that
9 area.

10 Last summer we had a fixed post
11 on St. Louis and Walnut. What we're going to
12 do is continue our dialogue with the community
13 and collaborate with the community as well.
14 The DCOs are going to engage with the citizens
15 in there. And, also, like we said today, you
16 and I when we spoke, I'm going to personally
17 meet with you next Wednesday and we're going to
18 actually walk the park like you requested.

19 MR. PERRYMAN: Okay. Thank you. It's nice
20 to meet a new commander in the 11th. I hope it
21 goes better than the previous commander who
22 ignored this issue.

23 I would like to bring up that
24 last week -- you know, I brought this up last

1 April, so a long time ago, almost nine months
2 now, and the Superintendent is saying they used
3 a lot of resources. I would say all the
4 strategies so far have been a complete failure.

5 I went for a walk with my dog the
6 other day and I was offered drugs. You can't
7 even walk down the street without someone
8 offering you drugs in this area. This is on
9 the edge of a park. We want to use our park
10 for our families. It's a real problem.

11 So I'm going to let the
12 Superintendent know I am going to keep coming
13 back to these meetings. I'm not giving up on
14 this. And I do expect to see effective
15 strategies.

16 I think a big part of this
17 problem is that strategies are completely
18 ineffective. And the Superintendent needs to
19 know that what's going on is not working.

20 And I've said this pretty much
21 every other month for eight months. And we
22 need to see results soon. And you say you hear
23 our voices, I don't feel heard. You promised
24 me many things. I don't see the results of

1 those promises.

2 So I guess my final ask is that
3 Mr. Foreman, if it's okay with you, I would
4 like to have a sit-down with you and the
5 Superintendent in the next week, if that's
6 possible. It doesn't have to be long.

7 PRESIDENT FOREMAN: Sure. I'm not too sure
8 what I can do in terms of a sit-down. I don't
9 develop policing strategies. But if you would
10 like me to join the meeting, I am more than
11 willing to do so.

12 MR. PERRYMAN: Well, Mr. Foreman, I did
13 meet with the Superintendent a long time ago,
14 and I talked about specific strategies that
15 work and things that don't work, and I feel
16 like that was completely disregarded. So I
17 would like another ear in the room to help hold
18 everyone in the room accountable.

19 PRESIDENT FOREMAN: Okay. I will make
20 myself available.

21 The next speaker is Flora Suttle.
22 If you can press *6, Ms. Suttle. Ms. Suttle?
23 I'll come back to you, Ms. Suttle. I can see
24 you are on and perhaps you're having a hard

1 time unmuting.

2 Next speaker, June Norfleet. Ms.

3 Norfleet, if you can press *6. All right.

4 MS. NORFLEET: Hello. I know time is
5 short. My point is what I call low-hanging
6 fruit.

7 Good evening, everyone. You
8 know, there are two parts of a tree that have
9 to be carefully tended to and that is the top,
10 because if you do not prune the top of a tree
11 and the fruit stays up there too long, it gets
12 no light and everything becomes diseased, and
13 the bottom, the low-hanging fruit.

14 Well, last week I took a walk out
15 on 75th Street and there was a lot of
16 low-hanging fruit out there. There were things
17 that were strewn all over 75th Street, just
18 like litter. There were cars without license
19 plates, vehicles with expired temporary plates,
20 they look like blank sheets of paper. These
21 are low-hanging fruit. Stores with windows
22 papered over and obscured, low-hanging fruit.

23 We need to stop the illegal
24 gatherings that are beyond the number of

1 attendees as prescribed by current ordinances,
2 low, low-hanging fruit. We can -- our police
3 department can work with auto industry
4 professionals to advance and improve vehicle
5 security platforms. Make that a priority.
6 That's a low-hanging fruit.

7 Answering the phone in a positive
8 and professional manner. I understand you are
9 police officers and you work in a hectic
10 environment, but you're still professional
11 public servants. Articulate, say your name,
12 your station and handle the citizen's business.

13 As my neighbor, Ms. Burns,
14 already indicated, that can be a challenge
15 sometimes. These are things that can be done
16 now. These are things that can be fixed.

17 I do want to say that on 75th
18 Street today when I walked -- this is why I
19 know low-hanging fruit can be handled, it was a
20 different place, because Commander Watson had
21 already started to imbue a sense of
22 professionalism, a committed, dedicated effort.

23 Thank you very much for doing
24 that and we look forward to working with you.

1 Don't forget the fruit.

2 PRESIDENT FOREMAN: Thank you.

3 Superintendent?

4 SUPERINTENDENT BROWN: I just love her
5 comments. And I'm excited as I've heard some
6 of the community members say about not just
7 Commander Watson and Commander Ben, but in the
8 eight months I've been here, I've been able to
9 have the opportunity because of retirements to
10 make several promotions of people who are very
11 talented and I really have high confidence in,
12 and so I'm looking forward to them engaging
13 more and our emphasis is on community
14 engagement, quality of life, being responsive,
15 being professional. So, you know, kudos to the
16 last commentator. It's right on point.

17 PRESIDENT FOREMAN: Thank you. Next
18 speaker, Crista Noel.

19 MS. NOEL: Hello, everyone. How are you?
20 Hi. I'm a little concerned about that mass
21 shooting that happened with Jason Nightengale
22 and has ended in the death of two women, Marta
23 Torres and -- let me get her name. Aisha
24 Nevell. And there are three women right now

1 fighting for their lives, Shirley Hinton,
2 Virginia McAllister and Dania Smith, ranging
3 from 15 to 81 years old.

4 I have known for a while that
5 mass shootings were connected to domestic
6 violence and this was not unusual. Right?
7 They say that as the number of victims go up,
8 the more likely it is that the shootings are
9 going to have some connection to domestic
10 violence.

11 Jason Nightengale had a domestic
12 violence charge in Evanston.

13 One of the problems I have with
14 the shooting is not only that he shot five
15 women, it's the fact that Jason was able to go
16 from the south side of Chicago to the north
17 side of Chicago in Evanston where he had a
18 domestic violence charge. So it's almost as if
19 you knew he was coming, because he kept going
20 places that he knew. Right? It was clear that
21 Jason was going to kill people until somebody
22 killed him. So although I wasn't there and I
23 can't quite be sure that he could have been
24 taken alive, I know that Jason's plan was not

1 to be taken alive or he wouldn't have shot a
2 woman to death about five minutes before he was
3 shot to death. But I do have a problem with
4 the fact that we have these -- an increase in
5 violence against women. We have women being
6 shot while they're driving their --

7 PRESIDENT FOREMAN: Sorry, Ms. Noel. With
8 the amount of speakers we have tonight, I
9 apologize that I have to cut you off.

10 Superintendent, can you speak to
11 some of the domestic violence issues and what
12 CPD is doing to try to address some of that?

13 SUPERINTENDENT BROWN: This particular
14 shooting case has some domestic violence, but
15 the more prominent underlying issue was mental
16 health, as expressed by Mr. Nightengale's
17 family, that had been spiraling out of the
18 control. And these acts of violence were
19 random, with no notice from anyone that we've
20 become aware of in the preliminary
21 investigation.

22 We'll continue our investigation,
23 but the speaker is correct that there's some
24 domestic violence, but likely mental health

1 issues being the more prominent motives behind
2 this.

3 PRESIDENT FOREMAN: Thank you. As I
4 mentioned earlier today, we had over 5,000
5 people signed up to speak and most of those
6 callers were calling regarding John Catanzara.

7 The next two speakers I've asked
8 if they could take a little bit more time and
9 represent some of the 5,000 people who did sign
10 up to speak. So with the Board's permission,
11 I'm going to allow them a couple additional
12 minutes to speak on behalf of the 5,000 people
13 who signed on.

14 So the next speaker is Ahmed
15 Rehab.

16 MR. REHAB: Thank you, Mr. President and
17 Mr. Superintendent and everyone else, for this
18 opportunity to speak to you tonight. My name
19 is Ahmed Rehab, and I am the executive director
20 of the Council on American-Islamic Relations
21 here in Chicago. We are the Chicago office of
22 the largest Muslim civil rights organization in
23 the United States. And I have let our views be
24 known to the public via media appearances on

1 the comments made by Officer John Catanzara,
2 and I'm here tonight to let them be known to
3 you and urge you to take action swiftly,
4 specifically calling on Mr. Superintendent
5 Brown to speed up filing charges and bringing
6 them to the desk of the Chicago Police Board so
7 that the process can continue and a hearing can
8 take place.

9 I have respect for the
10 Superintendent, but I have no idea why there
11 has been such a delay. And I'd like him to
12 address that and to promise us a time frame
13 which he can move on these charges.

14 I wanted to make this ask in
15 advance before I got into some of our concerns
16 with Mr. Catanzara in case I ran out of time.
17 I will get into that now.

18 As some of you have seen in the
19 media, and as I am sure you have heard
20 internally, some of these comments are plain
21 disgusting and prejudiced against large
22 segments of the Muslim community. And some of
23 his social media posts he has implied that
24 Muslims are savages and that they all deserve a

1 bullet. There are two particular posts, one in
2 which he discusses a crime that was committed
3 in Detroit by one individual who happened to be
4 Muslim, what they called female genitalia
5 mutilation, it's female circumcision, but it is
6 a violent act and it's illegal and a crime and
7 not accepted in our Muslim faith by the great
8 overwhelming majority of Muslims. And he said
9 what he said about her, which I have no problem
10 with and I agree with him on, but his extending
11 his outrage and disparaging all Muslims for the
12 crime of one individual is precisely what
13 defines Islamophobia and bigotry.

14 Imagine if I were to look at a
15 case of somebody in the Catholic church who
16 committed pedophilia and I'm calling all
17 Catholics pedophiles, or I'm looking at a case
18 of a lynching in the south, which unfortunately
19 still happens, and I'm calling all white
20 Americans racists and murderers. That's
21 precisely that extension. And he tried to
22 backtrack and he tried to focus back on that
23 individual crime, which we agree on, but it is
24 the extension and extrapolation to a large

1 segment to use his own words. This is the
2 reason many Americans are weary of a large
3 segment of Muslims. This is the life many want
4 to bring to the country. Deny reality all you
5 want. It is that generalization that is at the
6 core of racism and prejudice and it puts a mark
7 on our backs and it puts us in danger. And
8 this is a man who walks the street with a gun
9 and a mandate, and for him to be so misinformed
10 and to be so prejudiced is a problem.

11 He also talks about a case in
12 Afghanistan which a woman was brutally attacked
13 by a mob. Something any sane person, let alone
14 an average Muslim, would condemn. Again, it's
15 that extrapolation to everyone else, picking
16 one crime, sensational situation, and seeming
17 it to average, making it look average among
18 Muslims is precisely the problem we faced since
19 9/11 in this country where a terrorist attack
20 happens and suddenly we're all suspects.

21 There's a mark on all of our backs.

22 He is a policeman. He should
23 know better. He has admitted himself that he
24 tends to be easily misinformed when he made

1 these problematic remarks supporting the attack
2 on our nation's Capitol recently and our
3 democracy. Came out guns blazing, no pun
4 intended, defending this outrageous attack and
5 later backtracked and said he was misinformed.

6 If he is so easily misinformed --
7 he had the same information you and I had. We
8 all knew what it is. We all had a problem with
9 it from day one. He needed backlash to
10 backtrack.

11 If he has a problem with gaining
12 the information the right way, if he has some
13 cognitive issue, if he has some judgment issue,
14 whether it's on the Capitol situation or
15 Muslims or on Mayans, which he asserted are
16 engaged in human sacrifices and shouldn't come
17 to this country, again this type of racism and
18 prejudice --

19 PRESIDENT FOREMAN: Sorry. Mr. Rehab, I
20 had to cut you at that point. Gave you double
21 the two minutes. Thank you for your comments.

22 Before I ask the Superintendent
23 to respond, I'm going to call the next speaker,
24 Mr. Abdullah Mitchell. If you can press *6.

1 MR. MITCHELL: Good evening. My name is
2 Abdullah Mitchell. I'm the executive director
3 of the Council of Islamic Organizations of
4 Greater Chicago. We represent 68 different
5 Muslim organizations in the greater Chicago
6 area and many are residents and work in the
7 City of Chicago.

8 The public statement made by
9 Officer John Catanzara is appalling. Calling
10 Muslims savages and deserving a bullet is
11 racist and it's an incitement for violence
12 against Muslims.

13 This statement in our mind
14 reflects a level of bigotry that cannot be
15 tolerated for any Chicago police officer.

16 So regardless of the
17 circumstances under which he made this
18 statement, for him to use a public forum to
19 express his views encourages violent behavior
20 against Muslims. This is not the behavior we
21 demand of a police officer. And we call on the
22 Chicago Police Department and the
23 Superintendent to institute proceedings to
24 terminate Officer Catanzara. Thank you.

1 PRESIDENT FOREMAN: Thank you.
2 Superintendent, before I turn it over to you
3 for any comment, again, just reiterating at
4 this point in time, the Police Board, we have
5 not received any charges yet. Once we receive
6 charges, there will be a hearing. Again, if
7 you go to the Police Board's website,
8 ChicagoPoliceBoard.org, we have a short video
9 kind of explaining this process.

10 So last month, one member of the
11 public made a recommendation that this case go
12 before the full board.

13 The Superintendent will file
14 charges with the Board. Once those charges are
15 filed, there will be a hearing, at which point
16 the Board will have a hearing, we'll review the
17 case, make a decision, we'll make that decision
18 publicly. The hearings are open to the public,
19 and we absolutely encourage members of the
20 public to attend, and we can provide the
21 details on how that will be made available in
22 the world of Zoom today.

23 So, again, I definitely recommend
24 taking a look at ChicagoPoliceBoard.org and

1 where we put detailed explanations.

2 So, Superintendent, I'll turn it
3 over to you for comment.

4 SUPERINTENDENT BROWN: That particular case
5 is in the Department of Law with charges being
6 prepared. As soon as they're done, they will
7 be forwarded to the Police Board.

8 It is not in the Superintendent's
9 office, in my office at all. I've made my
10 recommendation, made my comments. So that case
11 then goes to the Department of Law to prepare
12 charges. Once the charges are prepared, as I
13 mentioned, they'll go to the Police Board for
14 the rendering of a decision.

15 There are other charges coming
16 through that -- on Catanzara that also will go
17 through this similar process.

18 There's no way to speed up.
19 Department of Law should take the appropriate
20 due process in presenting charges like they do
21 in other cases so there won't be reasons for
22 appeal or anything overturned.

23 I think it is prudent in my
24 opinion to follow the steps you normally would

1 and not fast-track based on anything outside of
2 the facts of the case.

3 PRESIDENT FOREMAN: Final speaker, Mr.
4 Robert More. Mr. More, if you can press *6 to
5 unmute one of your phones.

6 MR. MORE: Yeah, Mr. Foreman, can you hear
7 me?

8 PRESIDENT FOREMAN: Yes, sir.

9 MR. MORE: Hello? Okay. Very good. The
10 only thing I can say very good is you can hear
11 me, other than that -- this is the January
12 meeting of 2021. A catastrophe has befallen,
13 the non-counterfeit version of the Rule of Law.
14 The -- whatever you want to call them, the
15 genocidists (sic), the global plantation
16 owners, have seized complete control of the
17 nominal government entities of the United
18 States.

19 It is now time for all people who
20 are not completely incorrigible, who are not
21 willing to accept satanic worship and
22 pedophilia being imposed upon them to gather
23 together amongst ourselves, make a nationwide
24 chain network and prepare for the worst because

1 they are coming for us. Who's they? The
2 minions, the instruments of the global
3 plantation owners. The whole agenda has been
4 for all of these years to set up the basis to
5 get rid of us, because once we're gone, those
6 of us with some fear of God and a commitment to
7 keep the Commandments, there's nothing between
8 them and total world domination.

9 The dominos have fallen. It is a
10 disastrous situation.

11 Here are proposed stipulations
12 from Robert J. More to the City of Chicago and
13 David Brown. They've been posted -- they will
14 be posted as soon as I can get them to
15 21-15PROPCTR.tripod.com/CPD
16 POLBDMPGPROPSTIPRJMSZB0121.Html.

17 I'm going to try to read as much
18 as I can. I've had numerous interactions with
19 the City of Chicago Police Department, and we
20 got to get this thing on to solid ground, which
21 is what? The objectively reasonable reliance
22 interest referenced by the United States
23 Supreme Court in Illinois versus Krull is
24 constituting necessity for the enforcement of

1 any law. Enforcement of these mal-prohibitive
2 laws that is --

3 PRESIDENT FOREMAN: Thank you, Mr. More.
4 So since we had a lot of speakers and,
5 Superintendent, I heard your response about the
6 law department, the Board will also -- we will
7 reach out to the Law Department and we will
8 make sure that we get back and report publicly
9 to members of the public at next month's Board
10 meetings where those charges stand. So we'll
11 take that upon ourselves as well to insert
12 ourselves into the process to ensure that we
13 can get timely information back to members of
14 the public.

15 At this time, all members of the
16 public who signed up in advance to speak or who
17 were on the call have been called. Is there a
18 motion to adjourn?

19 BOARD MEMBER WOLFF: This is Paula. I move
20 to adjoin.

21 BOARD MEMBER EADDY: Michael Eaddy.
22 Second.

23 PRESIDENT FOREMAN: All in favor, please
24 signify by saying aye.
