- - - - -

APPEARANCES:

- POLICE BOARD MEMBERS
- GHIAN FOREMAN, President
- MICHAEL EADDY
- STEVE FLORES
- JORGE MONTES
- JOHN P. O'MALLEY, JR.
- RHODA D. SWEENEY
- ANDREA L. ZOPP

ALSO PRESENT:

- CHARLIE BECK, Interim Superintendent of Police;
- DANA O'MALLEY, General Counsel to the Superintendent of Police;
- KEVIN CONNOR, General Counsel, Civilian Office of Police Accountability;
- JOSEPH LIPARI, Deputy Inspector General for Public Safety;
- KAREN KONOW, Chief of the Bureau of Internal Affairs, Chicago Police Department;
- MAX A. CAPRONI, Executive Director, Police Board.

1 PRESIDENT FOREMAN: Good evening. My name
2 is Ghian Foreman, president of the Chicago
3 Police Board, and I am now calling the meeting
4 to order.

5 First of all, I would like to
6 welcome our new board member, Jorge Montes.
7 City Council approved Mayor Lightfoot's
8 appointment last month of Mr. Montes. And
9 rather than me introducing him, I thought it
10 would be a good idea for him to introduce
11 himself to the community.

12 BOARD MEMBER MONTES: Thank you, Mr.
13 Chairman. Good evening, ladies and gentlemen.
14 My name is Jorge Montes. I am the newest
15 member of the Police Board. I am delighted to be
16 here. I'm excited to be here. I am excited to
17 be part of this board. I have a fairly long
18 history of work in criminal justice. Started
19 out as a prosecutor at the State's Attorney's
20 Office. Moved on to the Attorney General's
21 Office. And then to the Prisoner Review Board
22 where I worked for 16 years, 6 of those years
23 as chairman. And now I get to kind of close
24 the circle by -- actually close the circle by

1 doing a lot of work before the Prisoner Review
2 Board representing clemency cases, along with
3 other work I do in my private law firm, and now
4 we get to cap it with this wonderful work. I'm
5 very excited to be here. Excited to work with
6 the community. Excited to work with this
7 awesome board. Thank you very much, Mr.
8 Chairman.

9 PRESIDENT FOREMAN: Thank you. Jorge,
10 what part of the City do you reside?

11 BOARD MEMBER MONTES: Reside in the
12 Bucktown neighborhood.

13 PRESIDENT FOREMAN: Thank you. Is there a
14 motion to approve the minutes of the January
15 16th public meeting?

16 BOARD MEMBER SWEENEY: So moved.

17 BOARD MEMBER EADDY: Second.

18 PRESIDENT FOREMAN: All in favor?

19 (CHORUS OF AYES.)

20 PRESIDENT FOREMAN: The next regular public
21 meeting will be held Thursday, March 19th, at
22 7:30 p.m. here at Public Safety Headquarters.

23 Is there a motion to close a
24 series of executive sessions for the purposes

1 of considering personnel matters and
2 litigation, as authorized by Sections 2(c)(1),
3 (3), (4), and (11) of the Illinois Open
4 Meetings Act?

5 BOARD MEMBER EADDY: So moved.

6 BOARD MEMBER FLORES: Second.

7 PRESIDENT FOREMAN: All in favor?

8 (CHORUS OF AYES.)

9 PRESIDENT FOREMAN: A report of
10 disciplinary actions taken by the Board during
11 the previous month has been made available at
12 this evening's meeting and is posted on the
13 Board's website.

14 There are no disciplinary cases
15 on the agenda for final action this evening.

16 Next, superintendent search.
17 When I saw the cameras, I thought you guys were
18 for us. But the Board has had in-depth
19 conversations with nine candidates, and the
20 first round of interviews has been completed.
21 The Board's process for thoroughly reviewing
22 and evaluating candidates continues. We are
23 working diligently to present the three
24 best-qualified candidates to the Mayor. Until

1 then, we have no further comment.

2 The Board has also made
3 substantial progress on implementing the
4 requirements of nearly all of the paragraphs in
5 the Consent Decree. A detailed report on the
6 status of all paragraphs is available on the
7 Board's website.

8 Also, we are also planning to
9 have the Consent Decree independent monitor,
10 Maggie Hickey, give a presentation at our
11 public meeting next month.

12 Finally, as it relates to the
13 independent monitoring team, we're going to
14 have quarterly meetings, Thursday, February
15 27th from 5:00 to 7:00 at the Humboldt Park
16 fieldhouse located at 1440 North Humboldt.

17 Just as the Police Board
18 meetings, this is a good opportunity for the
19 residents of the City to interact with the
20 Police Department, Police Board and COPA. This
21 quarterly meeting is a great opportunity to
22 hear from the independent monitoring team, a
23 group who's actively going out and working to
24 improve the -- all of the oversight process of

1 the City of Chicago. So I will strongly
2 recommend attending if you can. I attended one
3 of the meetings and found it to be really
4 helpful. As well as our regular interaction
5 with the monitoring team, I find it to be
6 really helpful from just -- just from our
7 day-to-day perspective.

8 Superintendent has requested the
9 Board's permission to solicit donations to
10 offset the costs of hosting a conference for
11 the Commission on Accreditation For Law
12 Enforcement Agencies in 2022. Is there a
13 motion to approve this request?

14 BOARD MEMBER SWEENEY: So moved.

15 PRESIDENT FOREMAN: Second?

16 BOARD MEMBER FLORES: Second.

17 PRESIDENT FOREMAN: All in favor?

18 (CHORUS OF AYES.)

19 PRESIDENT FOREMAN: The general orders
20 issued by the Superintendent in the previous
21 month are listed in the books and are posted on
22 the Police Department's website.

23 Superintendent, would you like to
24 give your oral report, please?

1 INTERIM SUPERINTENDENT BECK: Thank you.

2 First of all, good evening and welcome to
3 everybody here.

4 First, I want to give a brief
5 overview on homicide totals and to keep
6 everybody abreast of what's going on in the
7 City of Chicago. We had a difficult start to
8 the year as compared to 2019. So far this
9 year, we've had 56 homicides occur within the
10 City. That's 15 more than 2019. However, put
11 in perspective, 17 less than 2018, 28 less than
12 2017 and 30 less than 2016. So even though it
13 is below our five-year average, we are not
14 satisfied, and we believe that some of the
15 changes that are coming April 1st in moving
16 more folks into the districts in the areas will
17 address this issue.

18 I want to also point out that so
19 far this year to date for 2020, we have 57.89
20 percent clearance on homicides, which is on
21 pace to be as good as last year and
22 significantly better than '18, '17 or '16.

23 I also want to highlight three
24 incidents that occurred over the past weekend

1 where juveniles shot other juveniles or family
2 members through the negligent handling of
3 firearms. Two of the juveniles were extremely
4 young in age. They were handling a firearm,
5 one eight, one seven. They shot friends or
6 family because of negligent handling of
7 firearms. One of the shooters was 15 and
8 negligently shot his girlfriend who was 14 in
9 handling a firearm owned by his parent. The
10 results of these were serious injuries to the
11 children, but no deaths, so we're very grateful
12 for that. Two parents have been charged with
13 neglect in respect to the handling of firearms
14 and availability to children.

15 I bring this up because it is so
16 important to anybody that has a firearm in
17 their residence to realize that the danger of
18 the firearm presence far outweighs its utility
19 to keep the owner safe. And that is statistic
20 reality. And I would encourage anybody that
21 has a firearm to keep it under lock and key and
22 ensure that it is not accessible to juveniles.
23 Thank you. That completes my report.

24 PRESIDENT FOREMAN: Thank you,

1 Superintendent.

2 Before calling on tonight's
3 speakers, I want to share an excellent example
4 of how a community can work with law
5 enforcement to better the community.

6 Jennifer Edwards and her
7 colleagues, they frequently speak here, on a
8 monthly basis almost, at the Police Board
9 meeting. They're joining -- they're not here
10 because they actually have an action tonight
11 that they are doing. But on March the 3rd,
12 they're joining with the 6th District police to
13 do a community mission with the police officers
14 on the corner of 79th and Cottage grove; a
15 corner frequently there's a lot of complaints
16 about. So the community is coming together
17 with the 6th District to work on it. So we
18 wanted to really highlight this as a way of
19 making sure that we don't -- we as a community
20 don't just put everything on the Police
21 Department, but that we can find ways of
22 working together. I think this is a great
23 example, and we really commend them for the
24 work they are doing.

1 And, Superintendent, we would
2 like to make sure that there's continued
3 efforts to support efforts like this throughout
4 the City.

5 INTERIM SUPERINTENDENT BECK: Of course.

6 PRESIDENT FOREMAN: I'll now call on
7 members of the public who signed up in advance
8 to speak.

9 Please be aware that we have two
10 minutes to speak. First speaker is Ellen
11 Corley.

12 MS. CORLEY: Hi. I'm Ellen Corley. I
13 wanted to say that I had actually applied for
14 the police superintendent position. Never
15 heard back. And wanted to, you know, express
16 that my background, you know, it's not in
17 criminal justice, but I wish there was a way I
18 could bring it to the City. It's as a market
19 researcher. Worked at the highest level, you
20 know, doing surveys and strategic analysis. I
21 actually pitched to Governor Pritzker to do a
22 citizen satisfaction survey. The idea would be
23 to listen to the voice of the citizens, but
24 most especially the victims of police crimes

1 and injustice. That's where I've learned the
2 most about what's really going on.

3 As an analyst for 45 years, I
4 most recently worked at -- I'm a volunteer with
5 The Alliance Against Racist Political
6 Oppression. Specifically looking for the -- to
7 free the innocent survivors or innocent people
8 of police torture, the Jon Burge torture
9 victims, people who are still in prison.
10 Gerald Reed is a case that they're being kept
11 in prison because the -- Bob Milan, the special
12 prosecutor assigned to them, is keeping them
13 in, because he and Richard Daley were with
14 Burge. You know, they're all part of the
15 system that put them in there. They maintain
16 as a corrupt system with the judges and the
17 prosecutors and the police that if they got
18 out, they'd sue the City. Well, there's a way
19 of dealing with this, right? Let's just notice
20 if they're innocent. I can go through all the
21 records and we can just evaluate. We need a
22 right to an honest investigation to be put in,
23 you know, otherwise there really is a faking of
24 the prosecutor management information system.

1 Everybody knows it. And it's up to you to
2 enforce anti-corruption transformative justice.
3 Please bring me in. All I ask is let me
4 present the books and books of research I have
5 to show that I can do your internal
6 investigations. We can't afford to have it
7 done by corrupt operatives.

8 PRESIDENT FOREMAN: Thank you. Next
9 speaker, Megan Hyska.

10 MS. HYSKA: Hi. Thank you. My name is
11 Megan. I'm a resident of the 49th Ward. Also
12 a member of the Chicago Democratic Socialists
13 of America and Chicago Alliance Against Racist
14 and Political Oppression. And I am here
15 tonight to condemn the Police Board's recent
16 decision concerning Sergeant Khalil Muhammad's
17 shooting of Ricardo Hayes back in 2017.

18 As the Board and as many people
19 here will know, this case concerns an officer
20 who while off duty and according to COPA's own
21 assessment, not readily identifiable as a law
22 enforcement officer, shot a teenage boy with
23 intellectual disabilities who had done
24 absolutely nothing to indicate he was a danger

1 to the officer or to anyone else.

2 The Police Board refused to fire
3 this individual, instead giving him a slap on
4 the wrist in the form of a 180-day suspension.

5 We think this is just a sign of
6 very poor judgment. Adding to this conclusion
7 of poor judgment is the Police Board's conduct
8 of recent days which we regard as
9 untransparent.

10 So, according to a WBEZ story
11 published today, when even Mayor Lightfoot
12 suggested that the Board offer more information
13 justifying their decision in this case, which
14 has raised eyebrows in so many corners, they
15 refused to do so, with Executive Director Max
16 Caproni first claiming it would be illegal for
17 them to do so. As the article points out, when
18 it was made clear to Caproni that there was
19 nothing in the City's municipal code
20 restricting it, Caproni then switched to the
21 claim that not speaking further about cases is
22 a, quote, Unwritten operating principle that,
23 perhaps, prevents the Board's position being
24 scrutinized should the officer proceed with

1 litigation against them, but the terms of the
2 officer's agreement removes his ability to
3 legally challenge the Board in this way.

4 Now, from the outside, the reason
5 for this prevarication are just very clear.
6 The Police Board does not want to provide
7 further reason for their decision because none
8 that they could give would render it
9 defensible.

10 PRESIDENT FOREMAN: Thank you. Next
11 speaker, Flora Suttle.

12 MS. SUTTLE: Good evening. My name is
13 Flora Suttle. I'm a retired Chicago Police
14 agent. I stood at this podium a couple of
15 times before. And I'm standing here today to
16 talk about the same thing that I spoke to you
17 about before. My son Derrick Suttle was killed
18 by an off-duty Chicago police officer February
19 11th, 2012, at 79th and Clyde in an alley
20 behind the officer's house. The officer
21 alleged an attempt burglary. And the officer
22 was accompanied by his wife who was not the
23 police. The officer I can say was off duty.
24 He put on his police uniform, but he covered

1 that jacket with an unmarked jacket. He went
2 out looking for two men on foot dressed in all
3 black, two unknown men. That was 6:45 in the
4 morning. About 7:00 around there, he saw a
5 white van in the alley by his garage. He ran
6 to the van, he looked in the van, said the van
7 had run into his garage, and he shot the driver
8 who was my son. He said my son put the van in
9 reverse, and when he put it in reverse, it
10 pulled forward. The officer said it knocked
11 him down. After he got up that's when he shot
12 him. Justified forceable felony using the
13 vehicle as a weapon.

14 He said he was in fear of danger
15 of his wife who was sitting in the car.

16 See, there's no statute of
17 limitation on murder, but I put in a request
18 for this case to be reopened back in 2017,
19 actually well before the five-year -- before
20 the five-year limit, and I have not heard
21 anything back in terms of where you are with
22 this case. IPRA -- not IPRA, COPA. No statute
23 of limitation.

24 This is black history month. And

1 for my granddaughter sitting over there,
2 Lareen, that's his daughter. She's 23 years
3 old. She just took the police exam January
4 10th. Whether she is going to be the police or
5 not, who knows. But let me end this with a
6 positive experience with the Police Department.
7 When my son was killed and the detectives came,
8 they came straight at me with an interview,
9 detective, chaplain, straight interview. No
10 time for me to prepare but the officer had 48
11 hours. I was a victim.

12 My nephew died Christmas day of
13 natural causes, and I was called to the
14 hospital in the 10th District. I didn't know
15 he was dead when I got there, but the officers
16 were very greeting, you know, very cordial. I
17 identified myself eventually. And when we got
18 in the family room, a sergeant came in. I
19 remember his name, Pat. The way he introduced
20 himself, the way he talked to me and my family.
21 When he left that room -- he said he'd come
22 from the area north. He had been a sergeant I
23 think about six weeks, Pat. I think it was
24 1030 because the beat was 1023 who handled it

1 on the third watch. But when the sergeant
2 left, my granddaughter and I looked at each
3 other, my sister, my family we said, They
4 should have talked to us like Sergeant Pat
5 talked to us when my son was killed and when
6 her dad was killed. They should have treated
7 us with the respect and dignity that that man
8 did. He didn't know anything about my son, but
9 we got closure from my nephew who died of
10 natural causes through a police sergeant who
11 knew his spirit was just good. I just want to
12 tell you that.

13 I still want this case reopened.
14 And I've got plenty of evidence and I've turned
15 it in. So we want to move forward in a
16 positive manner.

17 PRESIDENT FOREMAN: Thank you, Ms. Suttle.
18 Next speaker. Queen Sister.

19 MS. QUEEN SISTER: Blessings.

20 Superintendent, you look at me
21 like you know my name. I know. I want to
22 formally welcome you to Chicago. The home of a
23 negro, Jean Baptiste DuSable. And I just want
24 you to remember during this day here, as long

1 as you're visiting, that you will always only
2 be a guest in our house. And I don't want you
3 to forget that. You know, y'all have a
4 tendency to come in here and get too
5 comfortable. You know, Chicago do a job on
6 marriages. Tell your wife.

7 Listen. I stand here homeless in
8 the City of Chicago. And where I thought I
9 would roll myself up in a big old ball and die,
10 I ain't even had time to cry, because you just
11 be surprised where the creator puts you to use
12 you most. It's a rising time in this town.
13 And, you know, I done laid back and bend back.
14 And we will be protesting and crowning black
15 history month on the block. And I want you to
16 know we will be uprising frequently because if
17 my young people don't have something to do,
18 they will find something to do in these
19 streets. Because we started this year off
20 losing children. I just -- I can't spend the
21 summer burying babies. And what you need to
22 know is that I looked over and stood over more
23 cold silver coffins with dead black bodies than
24 you can imagine in this city. So if we want

1 something different, we have to do something
2 different.

3 I created the St. Patrick's
4 program that you see on these streets that
5 everybody is eating off of and taking credit
6 for. And they need to tell you that I put
7 whistles, community-alert whistles, in every
8 police station and aldermen's office in this
9 city. And if we don't begin to hear y'all
10 telling these sisters that they're on these
11 streets while these bodies are still coming up
12 missing, you tell Mayor Shemp, she is going to
13 catch a citizen endangerment, because there's
14 frivolous lawsuits filed every day, and I got
15 the time now to deal with that.

16 Now, the Democratic distraction,
17 it is off the impeachment of Donald. They are
18 reviewing that 38-page report to the Department
19 of Justice. It is getting some friction, and I
20 will be not held homeless in my town, Chi-Town,
21 too long.

22 PRESIDENT FOREMAN: Thank you. George
23 Blakemore.

24 Next speaker, John Catanzara.

1 MR. CATANZARA: Superintendent Beck, at the
2 December's public meeting on the west side I
3 asked you a simple question that you didn't
4 want to answer. Did Eddie Johnson retire with
5 his credentials in place?

6 PRESIDENT FOREMAN: We're not going to get
7 into personnel matters. Come on, John.

8 MR. CATANZARA: You keep saying it's a
9 personal matter --

10 PRESIDENT FOREMAN: I said personnel.

11 MR. CATANZARA: There is a reason behind
12 this. It's quite simple. Obviously, you
13 didn't get here until December. But the simple
14 fact is, there was another CR against the
15 Superintendent for a march on the expressway
16 July before you got here. That complaint was
17 basically scrubbed out of the ARO (phonetic)
18 system by Commander Ronald Pontecore who's now
19 in the 17th District. He had the report
20 deleted. How that is not abuse of power is
21 beyond me, but he still is in command. That's
22 ridiculous, for one. For two, in response for
23 me getting case reports against the
24 Superintendent at the time and Pontecore for

1 deleting that case report, they brought charges
2 against me that now has me stripped and wearing
3 this goofy little temporary ID, where they say
4 you are not harmed because you are collecting a
5 paycheck. I lost one side job because I can no
6 longer carry a gun. Do you consider that fair?
7 Obviously I know you just got here. I would
8 hope that you would take some time to review
9 everybody over at call-back that are stripped
10 from their police powers before you got here
11 and start looking at some of these cases,
12 because there are some good people there who
13 are absolutely being abused, harassed,
14 retaliated against that should not be stripped.
15 Thank you.

16 PRESIDENT FOREMAN: Thank you.

17 MR. CATANZARA: That's just for him. What
18 do you suggest, I FOIA that information?
19 Because that should be public knowledge.

20 PRESIDENT FOREMAN: I am going to suggest
21 that you talk to Joey back there. So when you
22 leave and speak with Joey. Public safety IG.

23 Next speaker, Crista Noel.

24 MS. NOEL: How y'all? So I guess I'm a

1 little bit too late to tell you to look at
2 Chris Magnus for superintendent, but I just
3 wanted to throw his name out there. I think he
4 is in Tucson.

5 But anyway -- and since I know
6 you can always do something at the last minute
7 in Chicago. Just throw him out there. Check
8 him out.

9 Marquita Reed was run over by a
10 police officer, Terrance Finley, speeding down
11 87th Street, .83 alcohol level. And I want to
12 be clear, at .80 that's the limit. That means
13 you are driving drunk. So .83 you are driving
14 over drunk. Right? And he is going 70
15 something miles an hour down 87th Street, which
16 I told you all is pretty impossible, because
17 87th Street is always busy all times of the
18 day. He's working here now. And I don't
19 understand. I don't understand.

20 You know, I dig innocent before
21 being proven guilty, but why is he still
22 working? Why can't you fire someone that you
23 know, one, was speeding, that you know, two,
24 killed someone, and that you know was a police

1 officer? I don't understand. Isn't there
2 something that allows you guys to fire these
3 people and not have them on our payroll?

4 PRESIDENT FOREMAN: Well, it's a process we
5 have to follow. Frequently --

6 MS. NOEL: Not you.

7 PRESIDENT FOREMAN: It's us.

8 MS. NOEL: I know -- it's my understanding
9 you can fire someone within 30 days.

10 PRESIDENT FOREMAN: It's not accurate.
11 Police Board has the -- the group that has
12 ability to terminate a police officer, so it
13 has to be a hearing, you know. Potentially,
14 unless the person resigns, it has to come
15 through the Police Board, so there has to be an
16 investigation. It's a process. It is the
17 Police Board who has --

18 MS. NOEL: How much investigation do you
19 need when you have an off-duty cop that's been
20 charged by the State's Attorney with reckless
21 homicide? How much --

22 PRESIDENT FOREMAN: Well --

23 MS. NOEL: What do we need? This was last
24 year.

1 PRESIDENT FOREMAN: There's nothing in
2 front of us. We do not have --

3 MS. NOEL: It's at the IAD, actually. I
4 found out. He has been charged.

5 BOARD MEMBER SWEENEY: Not found guilty
6 yet. He is presumed innocent.

7 PRESIDENT FOREMAN: Right, until something
8 comes before the Police Board --

9 MS. NOEL: Why is he getting paid?

10 BOARD MEMBER SWEENEY: Because he is
11 innocent.

12 PRESIDENT FOREMAN: Because he still has
13 not been found guilty. I'm not speaking to
14 this case specifically, because we don't know
15 about it because we don't have anything in
16 front of us. But in order for a case to come
17 to us, it comes one of a couple ways. It comes
18 through COPA makes a recommendation. It comes
19 from the Superintendent's office to BIA to the
20 Superintendent to the Police Board. It has to
21 get through that process before we can take any
22 kind of action on a police officer. That
23 police officer has a right to due process as
24 well. So until it gets to the Police Board, we

1 do not have the authority, right to find the
2 person guilty without going through the
3 process.

4 MS. NOEL: So just as a scenario, I'm Beck,
5 and I have an officer who's killed a young
6 woman that we know for a fact. It's not a
7 question. He did it. You know, because most
8 of the time when police officers kill people,
9 it ain't a who done it. Okay? He did it.
10 He's been charged by the State's Attorney's
11 Office. Why does he need more than 30 days to
12 tell you that he needs to be gone?

13 PRESIDENT FOREMAN: Well, so essentially
14 we've run into this before. If they are
15 asking -- if the Superintendent's office is
16 asking questions, something that we would be
17 able to use in a Police Board trial, the police
18 officer does not have the ability to plead the
19 Fifth in an employment situation, right? So
20 any information that we would get that they
21 would capture to provide us with information
22 could not be used in a criminal trial. So
23 typically you will see a criminal trial will
24 wrap up first before the Police Board gets a

1 trial, because you wouldn't want to jeopardize
2 a criminal trial with the employment situation.
3 So we've run into this situation before. So
4 there's a process. I recognize it might be
5 frustrating, but it has to go through that
6 process. One could jeopardize the other.

7 MS. NOEL: I'm not accepting that. But I
8 will move on.

9 Did Garry McCarthy get a pension
10 when he was fired? Did Scott Ando get a
11 pension when he is fired? If, indeed, they
12 did, I want to understand why they jumping on
13 Eddie. Is it because Eddie is a black man,
14 that the media is only interested in him
15 getting a pension and not Garry McCarthy and
16 not Scott Ando and not all the folks who were
17 fired during Laquan McDonald situation?

18 PRESIDENT FOREMAN: That's probably a
19 question better posed to the media.

20 MS. NOEL: I hope they do answer it, but I
21 hope you understand what's going on in this
22 city as far as Eddie's concerned, because if
23 they didn't jump McCarthy and they didn't jump
24 Ando, then jumping Eddie is just because this

1 is one racist city. Okay? And I don't want to
2 see this go down with Eddie. Okay? I know
3 everybody's got their decisions as far as Eddie
4 is concerned, but if McCarthy and Ando got
5 their money, leave Eddie alone.

6 PRESIDENT FOREMAN: Thank you. Next
7 speaker, Robert More.

8 MR. MORE: First of all, some of these
9 people get five minutes to speak. So I just
10 note that for the record.

11 Sergeant Lasch, you are way
12 underemployed. That's what I got to say. You
13 are way underemployed with the City of Chicago
14 Police Department.

15 I'd never fire anybody because I
16 want a ticket out of this. It's a bad night in
17 a bad inn, St. Terese of Avila said, and I
18 can't wait to get out, so I wouldn't flatter
19 you. But you make plays. You are in position.
20 You see things and you make things work. That
21 is so rare.

22 But, anyway, here's the
23 situation. Now I have this, quote, shevi goyim
24 contra (phonetic), quote, shevi goyim harm

1 (phonetic) placard on, so I can make it
2 undistinctively obvious what it is that I'm
3 against and what it is I'm fighting. And I got
4 to start now because I got to put this
5 recording on, because I don't know if this is
6 going to be loud enough. But so I can get my
7 position on the record. Also is this maximum
8 volume right now, Sergeant? Can you hear me?
9 Please tell me if you can hear me on this.

10 PRESIDENT FOREMAN: Thank you.

11 MR. MORE: 120 seconds. Over and out.

12 Sergeant Lasch, you ever need help, don't
13 forget, you are owed a couple for me, even
14 though I am committed to closing this whole
15 thing down.

16 PRESIDENT FOREMAN: All people who signed
17 up to speak have been called upon. I ask for a

19 BOARD MEMBER FLORES: So moved.
