1 PRESIDENT LIGHTFOOT: We're going to get
2 started.

3 Good evening. I am Lori Lightfoot,
4 President of the Chicago Police Board. I am
5 calling the meeting to order.

6 We begin the meeting by welcoming
7 a new member and friend, Andrea Zopp, president
8 and CEO of World Business Chicago. The City
9 Council approved Mayor Emanuel's appointment of
10 Ms. Zopp on November 21st, and we welcome her
11 to the Board.

12 The first item of business is
13 approval of minutes of the Board's regular
14 public meeting held on November 16th. Is there
15 a motion to approve the minutes?

16 BOARD MEMBER SIMPSON: So moved.

17 BOARD MEMBER EADDY: Second.

18 PRESIDENT LIGHTFOOT: All those in favor?

19 (CHORUS OF AYES.)

20 PRESIDENT LIGHTFOOT: Any opposed?

21 (NO RESPONSE.)

22 PRESIDENT LIGHTFOOT: Motion passes.

23 The schedule of the Board's
24 regular public meeting for 2018 will be posted

1 on the Board's website shortly.

2 Our next regular public meeting
3 will be Thursday, January 18th, at 7:30 p.m.
4 here at Chicago Public Safety Headquarters.

5 At this time, I ask for a motion
6 to close a series of executive sessions for the
7 purpose of considering personnel matters and
8 litigation as authorized by Sections 2(c)(1),
9 (3,)(4) and (11) of the Illinois Open Meetings
10 Act. Is there such a motion?

11 BOARD MEMBER FOREMAN: So moved.

12 BOARD MEMBER EADDY: Second.

13 PRESIDENT LIGHTFOOT: All those in favor?

14 (CHORUS OF AYES.)

15 PRESIDENT LIGHTFOOT: Any opposed?

16 (NO RESPONSE.)

17 PRESIDENT LIGHTFOOT: Motion passes.

18 Earlier this evening, the Board,
19 as required by the Illinois Open Meetings Act,
20 met and considered minutes and recordings of
21 all past closed meetings to determine whether
22 the need for confidentiality still exists. The
23 Board members unanimously agreed that it
24 continues to be necessary to keep confidential

1 the minutes and recordings of its past closed
2 meetings.

3 A report of disciplinary actions
4 taken by the Board in the previous month has
5 been made available at this evening's meeting.
6 This report and the Board's written findings
7 and decisions are posted on the Board's
8 website.

9 The general orders and other
10 directives issued by the Superintendent of
11 Police during the previous month are listed in
12 the books made available at this evening's
13 meetings and are posted on the Police
14 Department's website.

15 The next item is the
16 Superintendent's report to the Board.

17 Superintendent, will there be an
18 oral report?

19 SUPERINTENDENT JOHNSON: Yes, ma'am. I
20 want to say happy holidays to everyone. I will
21 be brief. But first, before I begin on our
22 report, I'd just like to thank all of you for
23 the well wishes and support you gave me. I saw
24 through the transplant surgery, and this is my

1 first meeting back since then. So thank you
2 all for being patient with me.

3 And I'll just touch on briefly
4 and give you a broad overview of what CPD is
5 doing right now in terms of the crime fight and
6 reform moving into 2018.

7 In terms of the crime fight, we
8 continue to implement technology as one of the
9 basic foundations around crime strategy, while
10 we also add more officers, and we plan on
11 growing the Department by a thousand members at
12 the end of 2018.

13 This past November was the ninth
14 consecutive month of reductions in gun violence
15 in Chicago. That's something we should all be
16 proud of. We had 21 percent fewer shootings,
17 20 percent less shooting victims, and 15
18 percent less murders. That actually equates
19 out to 20 of 22 police districts in Chicago
20 have seen reductions in gun violence compared
21 to the same time in year 2016.

22 Several of those police districts
23 have actually seen gun violence reductions less
24 than what we had in 2015. So we're on the road

1 to reducing gun violence citywide.

2 In terms of the reform strategies
3 moving into 2018, we have over two -- graduated
4 200 recruits from the academy this year, while
5 we're still promoting transparency and
6 technology through the Department.

7 Last week, we completed our
8 entire rollout of body-worn cameras so all CPD
9 officers and bureau of patrol that's out on
10 patrol will have body-worn cameras.

11 This rollout is actually a year
12 ahead of schedule. And, honestly, I think that
13 will help in two ways; it will help build trust
14 hopefully within the communities that we serve,
15 but also show us what officers are doing and
16 where we can improve.

17 So I think that's a great thing.

18 Last piece of that is the
19 community policing advisory panel submitted
20 recommendations to me earlier on just a few
21 weeks ago, and I decided to adopt all the
22 recommendations that many of you all sent in
23 implemented or recommended.

24 One of the most significant of

1 those recommendations is the creation of a
2 community policing office, along with a deputy
3 chief to lead that effort, which I have already
4 implemented. So now we have Deputy Chief
5 Dwayne Betts, he was appointed commander at the
6 15th District.

7 And I can tell you that CPD is
8 committed to harboring the communities that we
9 serve, because I think that the police
10 department should be something that we all can
11 be proud off.

12 With that, I close and wish
13 everyone a happy holiday season.

14 PRESIDENT LIGHTFOOT: Thank you,
15 Mr. Superintendent.

16 I will now call upon members of
17 the public who signed up in advance to speak.
18 When your name is called, please step up to the
19 microphone.

20 And, again, pursuant to Police
21 Board rules, we ask that you limit your
22 comments to two minutes in respect to others
23 who come in after you.

24 First speaker is Ellen Corley.

1 Ellen Corley.

2 Next speaker is John Perryman.

3 MR. PERRYMAN: Good evening.

4 PRESIDENT LIGHTFOOT: Good evening,
5 Mr. Perryman.

6 MR. PERRYMAN: I'm here to talk about some
7 problems with the 12th District on the edge of
8 the 11th District.

9 On September 6th, four people
10 were shot on a corner a block from my house. A
11 week later a new drug house and drug corner
12 opened up a block way. I immediately told
13 CAPS, Sergeant Schenk in the 12th. This is the
14 12th side. They did not do anything. Nothing
15 effective.

16 October 10th there was a shooting
17 at the very house I told CAPS about, Sergeant
18 Schenk. And even a stray bullet even hitting a
19 squad car in this shooting. This was
20 completely preventable. But I kept pressing
21 Sergeant Schenk for help and yet the drug
22 corner exists today.

23 And even Commander Chung's
24 office, yet it still exists.

1 Whatever they're doing is
2 ineffective. And it's frustrating that I have
3 to come all the way down here to try to get
4 some help in the community.

5 Shootings may be down, but when
6 they're next to your house, it's not very
7 comforting that they're down 20 percent.

8 So, I guess, here's what I'm
9 asking, since Commander Chung's district does
10 not seem up to the challenge, I'm asking for
11 help from downtown officers to come.

12 There's one thing that's worked.
13 I've been in the 11th for a long time. This is
14 on the 12th side. Buy busts, several over a
15 week, and then some surveillance will shut this
16 down probably in one week. Yet we've been
17 sitting on it and pushing up on five months
18 soon.

19 So, I guess, what I'm asking for
20 is some help. Commander Chung's office does
21 not seem up to it. I talked to Commander Chung
22 once. I keep reaching out to his office.
23 Nobody reaches back.

24 When the community reaches out,

1 and no one seems to care or it's just something
2 that's bothersome to our police, it's deeply
3 troubling. So I'd like a response on that.
4 And I was wondering if you could help us. Not
5 someone from the 12th. 12th doesn't seem up to
6 it. From downtown.

7 And this -- by the way, this is a
8 corner that the community fought hard to take
9 back. And yet now after five months -- and
10 here's the thing, it exists that long --

11 PRESIDENT LIGHTFOOT: Sir, your time is up.

12 MR. PERRYMAN: Let me finish my thought.
13 If you wait that long, even if they do make a
14 big bust now, it's going to open up, because
15 now that's the spot. It's highly desirable. I
16 wait for a response on that.

17 PRESIDENT LIGHTFOOT: Thank you, sir.

18 SUPERINTENDENT JOHNSON: I'll have an
19 officer get your information.

20 PRESIDENT LIGHTFOOT: Mr. Perryman, this
21 officer here, I think, is coming to you to take
22 your information.

23 Our next speaker is Crista Noel.
24 Crista Noel.

1 Our next speaker is Queen Sister.

2 Queen Sister.

3 Our next speaker is David Evans.

4 Mr. Evans.

5 MR. EVANS: Thank you.

6 PRESIDENT LIGHTFOOT: Good evening,

7 Mr. Evans.

8 MR. EVANS: Good evening. I live in the
9 4500 block of Oakenwald. At the end of
10 October, I had a man break in my house.
11 Fortunately, my kids weren't there. My wife
12 was there. 2nd District got there relatively
13 quickly. However, the greatest concern is that
14 they let him out on an I-bond. He clearly
15 showed that he had issues. He broke a window
16 with a shovel and ran through my bathroom.
17 Locked himself in until they came. And they
18 let him out on an I-bond. The next day he
19 stole a City water truck and took cops on a
20 chase through Roseland. As a result, a City
21 worker had lacerations on his hands.

22 That's not the only real concern
23 in the 4th Ward. We've had an increase in
24 carjackings. The day after Thanksgiving, one

1 of my neighbors was almost carjacked. And
2 there's been an increase of robberies at the BP
3 in the 4700 block of Woodlawn and throughout
4 the ward.

5 Being North Kenwood, a highly
6 desirable area for developers and people who
7 are moving there, we've had kind of a weak
8 police response. We've seen kind of an uptick
9 in crime in the last several months. And I
10 reached out to Commander King, no response.
11 One of their detectives reached out, but wasn't
12 able to provide much of a solution.

13 So ultimately, at this point, I
14 want to know what can be done to kind of
15 assist, kind of combat the uptick in crime,
16 motor vehicle threats, carjackings, things of
17 that nuisance?

18 And the second, specifically in
19 North Kenwood. Thank you.

20 SUPERINTENDENT JOHNSON: I'll comment on
21 that briefly. I can tell you this, that
22 there's some things going on over there that
23 you won't see that are designed to tackle
24 exactly what you're talking about. So we are

1 aware of it, you know, down here.

2 We have had conversations with
3 the district over there, and I think you will
4 be quite pleased come -- some of these things
5 take longer than others. I can assure you we
6 put some things in place over there.

7 If you can give your information
8 to that officer back there, I'll talk to you
9 some more.

10 PRESIDENT LIGHTFOOT: Next speaker is Helen
11 Henning.

12 MS. HENNING: Good afternoon,
13 Mr. Superintendent and the Board. I'm coming
14 again -- well, the latest incident, I've been a
15 victim of organized crime and stalking for the
16 last 14 years. I've never been high on drugs
17 in my entire life. Never raised my kids on
18 drugs. I've been -- they've been doing all
19 kinds of dirty stuff behind my back. I was
20 forced into an unwanted sex act. They passed
21 the tape around showing different people. And
22 I was awarded money way back to the field crime
23 administration, which I've never gotten.

24 The latest concern of mine that I

1 heard last month that some New York -- during
2 the summertime, I go up to New York and work at
3 Saratoga Springs. It stemmed from my job and
4 it escalated to the streets.

5 Some New Work police came back to
6 Chicago, and I don't know how they got into the
7 Chicago system, but I was told, and I've also
8 seen, the elements that they brought people who
9 were plugged or tied up in organized crime.
10 They go somewhere. Where, I don't know where.
11 And I've been trying to find out for many
12 years. And they distributed my money to them
13 off of lies and dirt that they trying to frame
14 me up in. And I would like an answer
15 how -- how could they come in and have access
16 to money with somebody else's name on it. And
17 whoever gave the money away to them said they
18 didn't know, and then they said they was trying
19 to make the police department pay.

20 SUPERINTENDENT JOHNSON: Ma'am, I have no
21 knowledge of that, but I'll tell you what,
22 we'll look into it. I have no firsthand
23 knowledge about what you're talking about.

24 MS. HENNING: Okay. This is a true story,

1 and I have records and complaints and
2 complaints way back from maybe 2007 until
3 current, and I've not got one answer.

4 I see results, and I have to give
5 kudos to the Police Department, because I would
6 be dead if it wasn't for them protecting me.

7 I have to say there are really
8 some brothers out here doing their job, as well
9 as Caucasians. I have to give them credit for
10 that. But it has gone on much too long. Much
11 too long.

12 PRESIDENT LIGHTFOOT: Thank you, Ms.
13 Henning.

14 MS. HENNING: Thank you.

15 PRESIDENT LIGHTFOOT: Our next speaker is
16 George Blakemore. Good evening.

17 MR. BLAKEMORE: Good evening, ma'am. And
18 good evening to the MPC, the spirit of the
19 people I see present, and to the few that were
20 able to come out in this cold weather.

21 I kind of feel uncomfortable
22 talking about our situation, I, I, I, when you
23 all have so many problems with the Police
24 Department. I'm just ashamed to just come up

1 and talk about my little problem. It's
2 nothing. But these little problems can grow to
3 big problems.

4 On October the 28th of -- or 29th
5 of October, I was in front of Joe (inaudible)
6 on the Gold Coast, the 42nd Ward, the rich and
7 powerful golden apple of our great city, and I
8 had some of my artwork and some other items.
9 And for years the business people in that area
10 have terrorized me. They came out, "This man
11 stole these goods." This man, "Have you got a
12 peddler's license to sell?" And with their
13 cameras. So when the police arrived, the
14 police -- I told them how he was harassing me.
15 And several times just I felt -- just too much.
16 But little concern with the crime that's going
17 on in Chicago. So they all -- the items, put
18 them in five black bags. Did not secure them.
19 Did not inventory those bags at all and itemize
20 them and put them in those clear bags and seal
21 them. They went out with them -- they were
22 very disrespectful. I told them I was over
23 there (inaudible.) They say -- they didn't
24 come, so I just decided to be whatever. Right

1 on the floor. They stuck they fingers up using
2 racial remarks.

3 BOARD MEMBER FOREMAN: Mr. Blakemore, can
4 you wrap up your comments?

5 MR. BLAKEMORE: Wrap up your comments. The
6 intent of the Open Meetings Act and the two
7 minutes was to not let anybody hog up the time,
8 not that you can't give a person an extra
9 minute or two. The intent, we have to look at
10 the intent of this. Nobody's here.

11 So usually when I come like this,
12 you all just happy to run right out.

13 But anyway, I'll go more into
14 detail about what had happened.

15 When I went to the police station
16 the next day to get these items, they said
17 stand back, Mr. Blakemore, you can't go in
18 here, we have bedbugs. You won't be able to
19 come back. Those items were not sealed. Those
20 items. So it's terrible.

21 So sometimes you got to look at
22 the little things that the police are doing,
23 and then that's another step for the big thing.

24 They indicate or -- that says

1 serve and protect. They serve and protect the
2 business people. Said I was loud. How loud is
3 loud? (Inaudible.) And I'm going to discuss
4 that with one of the ladies or men that you
5 will -- the Superintendent will talk to me, and
6 I will go more in detail. When I went to --

7 PRESIDENT LIGHTFOOT: Mr. Blakemore, you
8 need to wrap up. I was going to ask you. I
9 think you brought this issue to our attention
10 before.

11 MR. BLAKEMORE: No, no, I don't know if I
12 did.

13 PRESIDENT LIGHTFOOT: I thought you had
14 talked to -- it was IPRA at the time, but I
15 think you talked to them about the confiscation
16 of your goods.

17 MR. BLAKEMORE: This is a new incident, but
18 it's similar to the old incident, so they are
19 persistent and I'm persistent. Sunrise,
20 sunset. So it's nothing under the sun. So you
21 all ready to go and it's cold. So I'll let you
22 go. I'm going to sit down and go into detail
23 with one of the policemen. And I hope that I
24 get some favorable results.

1 And God bless each one of you.
2 Feliz Navidad to the Hispanic community. And
3 to our Jewish community, a Hanukkah. And to
4 our Christian community, Merry Christmas and
5 may God bless. And you in the blessing
6 business and so bless everyone. Thank you.

7 PRESIDENT LIGHTFOOT: Thank you,
8 Mr. Blakemore.

9 Our last speaker is Robert More.

10 MR. MORE: It is December 14th, 2017.
11 Robert J. More speaking at the Police Board
12 meeting. This is the -- this is -- I'm not
13 doing the whole room, because there is a very
14 important issue here, that is that all
15 government officials here, I'm not
16 sure (Inaudible) if everyone can hear what's
17 being said. Everyone that's a government
18 representative is responsible for what they
19 hear, and no one can legitimately claim
20 (inaudible) regarding various developments.

21 Here's the first purpose of this.
22 So after the extermination apparatus,
23 recognizing that within that, there is not what
24 Franco referred to as the fifth column, but

1 there's probably a seventh or eighth column
2 that is in place of the fifth column.

3 The very pertinent point I need
4 to get is, first of all, (inaudible) of the
5 body of a citizen that would end up dead and
6 regarding his death, any number (inaudible)
7 chief suspects is the cause of death, either as
8 direct perpetrator or as a participant, so that
9 the crime evidence cannot be modified, the body
10 not cremated, to make certain that all the
11 laborers of a given individual (inaudible.)

12 Had this been in place, Lincoln,
13 Garfield, McKinley, John F. Kennedy, Martin
14 Luther King, Robert F. Kennedy, all these other
15 deaths and protocols in place, the Franklin
16 coverup, Ted Kennedy, Chan Siddiqui (phonetic),
17 Richard Lee Guthrie, all these alleged
18 incidences in which there was an instigation of
19 government conduct that resulted in the death
20 of the (inaudible). Then we can get
21 investigations of bodies as Jack Kennedy did in
22 the death of his brother Ted Kennedy to
23 demonstrate it was physically impossible this
24 guy actually committed suicide.

1 In the case of Richard Lee
2 Guthrie, he had nothing to do with the bombs in
3 Oklahoma City. Richard Guthrie ended up dead
4 sometime after his incarceration, that also
5 alleged suicide, as was the roommate Kenneth
6 Trentadue. The point is, I need protocols.

7 Are you familiar with this issue
8 at all, Mr. Superintendent? It is an
9 issue of supereminent importance. What can be
10 done right now that if my body is found dead or
11 the body of anyone similarly concerned to make
12 sure that that evidence is preserved?

13 SUPERINTENDENT JOHNSON: Thank you,
14 Mr. More. I have to admit, I am not familiar.

15 MR. MORE: Is there any way to contact you?
16 Is there an e-mail address? Mr. Chief Camile
17 is no longer here. Do you get e-mails from Mr.
18 Chief Camile?

19 SUPERINTENDENT JOHNSON: Yes.

20 MR. MORE: I presume if he receives it, it
21 doesn't bounce back, that you got it, because
22 if we start plugging the thing in the back, we
23 can work backwards and correct the rest of the
24 problem.

1 I'm out of time. I apologize for
2 the flashlight. I buy phones, I lose them. I
3 buy the next phone. By the time I figure out
4 how the flashlight works, Christ will return
5 hopefully.

6 PRESIDENT LIGHTFOOT: Thank you, sir.

7 So at this point, all the
8 persons who signed up in advance to speak have
9 been recognized.

10 Is there a motion to adjourn?

11 BOARD MEMBER FOREMAN: So moved.

12 BOARD MEMBER EADDY: Second.

13 PRESIDENT LIGHTFOOT: All those in favor?

14 (CHORUS OF AYES.)

15 PRESIDENT LIGHTFOOT: Any opposed?

16 (NO RESPONSE.)

17 PRESIDENT LIGHTFOOT: Motion passes.

18 Happy holidays, everyone.
