SOUTH CHICAGO: Change on the Horizon

Facilitated by LISC in partnership with the South Chicago Planning Committee

“South Chicago has two assets that few Chicago neighborhoods can claim—a very affordable stock of housing and more than 700 acres of vacant land.”

“In 10 years, Commercial Avenue will recapture the economic vitality of the past by supporting the small business sector, encouraging ground-up economic development, and working towards becoming an entertainment destination for the southeast side.”

South Chicago’s Commercial Avenue Revitalization Plan

Facilitated by Great Cities Institute and the University of Illinois at Chicago
