General Notes

(a) Each actual or estimated Public Investment reported here is, to the extent possible, comprised only of payments financed by tax increment revenue, and may include interest amounts paid to finance the Public Investment amount. In contrast, each actual or estimated Private Investment reported here is, to the extent possible, comprised of payments financed by revenues that are not tax increment revenues and, therefore, may include private equity, private lender financing, private grants, other public monies, or other local, state or federal grants or loans.

(b) Each amount reported here under Public Investment Undertaken, Total Estimated to Complete Project, is the maximum amount of payments financed by tax increment revenue that could be made pursuant to the corresponding Project's operating documents, but not including interest that may later be payable on developer notes, and may not necessarily reflect actual expenditures, if any, as reported in Section 3 herein. The total public investment amount ultimately made under each Project will depend upon the future occurrence of various conditions, including interest that may be payable on developer notes as set forth in the Project's operating documents.

Project/Program-Specific Notes

** Depending on the particular goals of this type of program, the City may: i) make an advance disbursement of the entire public investment amount to the City's program administrator, ii) disburse the amounts through an escrow account, or iii) pay the funds out piecemeal to the program administrator or to the ultimate grantee as each ultimate grantee's work is approved under the program.

*** As of the last date of the reporting fiscal year, the construction of this Project was ongoing; the Private Investment Undertaken and Ratio figures for this Project will be reported on the Annual Report for the fiscal year in which the construction of the Project is completed and the total Private Investment figure is available.

(1) This project straddles the Near North Redevelopment Project Area and the Chicago/Kingsbury Redevelopment Project Area.

(2) This line reports the amounts, if any, that have been or are anticipated to be funded from increment received from this Area only. The aggregate amount of Public Investment Undertaken for this Project is the sum of these figures, if any, and the corresponding figures from the other Area or Areas that this Project straddles.

EXECUTIVE SUMMARY

The Illinois General Assembly passed the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et seq.) (the "**Act**") to address the growing number of blighted areas in many Illinois municipalities. The blighting of communities impairs the value of private investment and threatens the growth of the community's tax base. The Act declares that in order to promote the public health, safety, morals, and welfare, blighting conditions must be eliminated.

Therefore, to induce redevelopment pursuant to the Act, the Chicago City Council adopted three ordinances on June 30, 1997 approving the Near North Tax Increment Financing Redevelopment Project and Plan (the "**Original Plan**"); designating the Near North Project Area (the "**Original Redevelopment Project Area**"); and adopting tax increment financing for the Original Redevelopment Project Area. On April 24, 2020, the City Council adopted an ordinance amending the Original Plan to allow for a 24th year thereby extending the Original Redevelopment Project Area to December 31, 2021, ("**Amendment No. 1**").

In February of 2021 Johnson Research Group, Inc. ("**JRG**") was retained by the City of Chicago to further amend the Original Plan to extend its term by twelve years for a completion date of December 31, 2033, amend the redevelopment project estimated project costs, bring the Original Plan up to current City ordinance and policy standards, and identify updates to the General Land Use plan, ("**Amendment No. 2**"). Unless otherwise noted, the content of this report is the responsibility of JRG.

The City hereby certifies that there will not be displacement of 10 or more inhabited units as a result of the Original Plan. As such, a housing impact study is not required as part of Amendment No. 2.

The primary purpose of Amendment No. 2 is extending the time needed for the Chicago Housing Authority ("CHA") to complete the substantial buildout of the former site of the Cabrini-Green housing complex within the Project Area, fulfilling their vision of creating diverse mixed-income communities in the Near North Redevelopment Project Area, as well as other areas throughout the City of Chicago.

NEAR NORTH REDEVELOPMENT PROJECT AND PLAN – AMENDMENT NO. 2

The changes to the Original Plan are presented Section by Section and follow the format of the Original Plan. Changes are prefaced in italics with the appropriate replaced text below in this document entitled the Near North TIF Redevelopment Project and Plan - Amendment No. 2 ("**Amendment No. 2**").

1. INTRODUCTION

No changes.

2. REDEVELOPMENT PROJECT AREA DESCRIPTION

Current Land Use and Zoning

After the seventh paragraph of this section, insert the following paragraphs:

2021 Update of Land Use and Zoning

The Project Area has experienced substantial residential and commercial development scattered throughout the Project Area, but many large areas remain undeveloped. Much of the undeveloped land belongs to the CHA, and the CHA continues to build out its multi-year Plan Forward by filling in vacant land with high-quality mixed-income and mixed-density housing.

The mixture of land uses present in the Project Area in 2021 represent a much more compatible blend of residential, commercial, recreational/open space, and institutional uses (schools, churches, arts centers, etc.) as compared to 1997. Figure 2-2021: Existing Land Use provides an update of land uses present in the Project Area as of April 2021, and Figure 3-2021: Existing Zoning identifies the current zoning for the Project.

Access

After the fifth paragraph of this section, insert the following paragraph:

As of 2021, the street grid has been considerably improved with the extensions of Cambridge, Cleveland and Hudson Avenues, between Division and Oak Streets, and the blocks within this area are continuing to build out as part of City and CHA redevelopment plans.

3. ELIGIBILITY OF THE PROJECT AREA FOR DESIGNATION AS A BLIGHTED AREA

No changes.

4. COMMUNITY PLANNING OBJECTIVES/REDEVELOPMENT PLAN GOALS AND OBJECTIVES

Insert the following paragraphs after the second paragraph of this Chapter.

The Near North Redevelopment Plan and Project – Amendment No. 2 is consistent with the City's recently 4 updated Halsted Triangle Plan (updated in 2020), the downtown expanded zoning area (updated in 2016 and 2017), the Wild Mile (along the North Branch Chicago River south of Division Street), and the Transit-Served Location (TSL) ordinance, subject to any subsequent revisions or amendments to these City plans and ordinances. The Plan is also guided by the Cabrini-Green Development Zone (updated April 2015) developed by the Chicago Housing Authority.

- *The Halsted Triangle Plan, adopted by the Chicago Plan Commission in 2010 and updated in 2020, is intended to generally guide the implementation of future public and private projects within the Halsted Triangle (bounded by North Avenue, Halsted Street, and the North Branch Canal of the Chicago River) and along the Clybourn Avenue corridor.*
- *The Wild Mile Chicago is a planned floating eco-park located on the North Branch Canal of the Chicago river between Chicago Avenue and North Avenue.*
- *The TSL ordinance allows for the potential of an increased density bonus for developments within one-quarter mile of transit stations. This would include the area within one-quarter mile of a new Division Street Brown Line station if that planned station is developed.*
- *The downtown expanded zoning area updates the downtown zoning district geography, as approved by City Council in 2016. All of the Near North Project Area south of Division Street is included in this expanded downtown zoning geography.*

Redevelopment Plan Goals and Objectives

The following objectives should be added to the list of objectives in this section:

- *Upgrade transportation infrastructure within and through the Project Area to sufficiently accommodate greater densities of workers and residents.*
- *Promote connectivity between modes of transportation, between land uses, and between the natural and built environments.*
- *Promote and support non-residential uses along the river.*
- *Provide the opportunity for a continuous riverwalk and a connecting non-vehicular path system.*
- *Create strong connections to and from the riverwalk.*
- *Large development parcels should be subdivided into a network of blocks that are pedestrian-scaled and walkable.*
- *While reestablishing the local street grid and connections to surrounding neighborhoods, ensure that street function and character are designed in*

accordance with Chicago Department of Transportation's Complete Streets Chicago and Sustainable Urban Infrastructure Policies and Guidelines.

- Provide new green spaces to help meet the needs of a growing population and supply outlets for families that encourage community engagement.
- Promote sustainable neighborhood development by incorporating principles of LEED-ND standards and the City's sustainability requirements in building and site design.
- Encourage development within the downtown expanded zoning area, which includes all sites in the Project Area south of Division Street.

5. REDEVELOPMENT PLAN

No changes.

6. REDEVELOPMENT PROJECT DESCRIPTION

The first two sentences of the sixth paragraph of this section should be deleted and replaced with the following:

The City requires that developers who receive TIF assistance for market rate housing set aside 20 percent of the units to meet affordability criteria established by the City's Department of Planning and Development or any successor agency. Generally, this means the affordable for-sale units should be priced at a level that is affordable to persons earning no more than 100 percent of the area median income, and affordable rental units should be affordable to persons earning no more than 60 percent of the area median income. From time to time, the City changes the affordability requirements and thresholds, and developers seeking TIF assistance or zoning changes will be required to comply with the City's affordability requirements in force at the time of commencing their project.

In the section of Development Strategies/Redevelopment Activities, under the subheading "Site Assembly", the first paragraph shall be deleted and replaced with the following two paragraphs:

To meet the goals and objectives of this Plan, the City may acquire and assemble property throughout the Project Area. Land assemblage by the City may be by purchase, exchange, donation, lease, eminent domain or through the Tax Reactivation Program and may be for the purpose of (a) sale, lease or conveyance to private developers, or (b) sale, lease, conveyance or dedication for the construction of public improvements or facilities. Furthermore, the City may require written redevelopment agreements with developers before acquiring any properties. As appropriate, the City may devote acquired property to temporary uses until such property is scheduled for disposition and development.

In connection with the City exercising its power to acquire real property, including the exercise of the power of eminent domain, under the Act in implementing the Plan, the City will follow its customary procedures of having each such acquisition recommended by the Community Development Commission (or any successor commission) and authorized by the City Council of the City. Acquisition of such real property as may be authorized by the City Council does not constitute a change in the nature of this Plan.

In the section of Development Strategies/Redevelopment Activities, under the subheading "Relocation Costs", the first paragraph shall be deleted and replaced with the following:

Relocation assistance may be provided in order to facilitate redevelopment of portions of the Project Area, and to meet the other City objectives. Businesses or households legally occupying properties to be acquired by the City may be provided with relocation advisory and financial assistance as determined by the City.

At the end of the section of Development Strategies/Redevelopment Activities, a new subheading and text shall be added, as follows:

Intergovernmental Agreements and Redevelopment Agreements

The City may enter into redevelopment agreements or intergovernmental agreements with private entities or public entities to construct, rehabilitate, renovate or restore private or public improvements on one or several parcels (collectively referred to as "Redevelopment Projects").

7. GENERAL LAND USE PLAN AND MAP

Chapter 7, paragraph two shall be deleted in its entirety and replaced with the following:

Figure 10. Amended General Land Use Plan presents the generalized land uses that will be in effect upon adoption of this Amended Plan. The uses identified are based upon land uses outlined in the Original Plan and incorporate updates drawn from the Halsted Triangle Plan, the Cabrini-Green Development Zone Plan (April 2015), the Wild Mile framework, and the Chicago Zoning Ordinance including planned developments implemented and proposed. All development should comply with the Redevelopment Plan objectives set forth in Section 4 above, the Chicago Zoning Ordinance, the Halsted Triangle Plan, Cabrini-Green Development Zone Plan and all other relevant City ordinances and development guidelines.

The generalized Land Use Plan designates five (5) land use categories, excluding public rights of way, within the Redevelopment Project Area as described below,

1. Residential

Residential land-use makes up the large majority of the Redevelopment Project Area and the strength and stability of this land use component is the primary building block for community revitalization. Development of new housing is

encouraged throughout the Redevelopment Project Area, with strategic focus starting with proximity to community building blocks such as libraries, schools, and public transportation. New residential buildings should include a range of densities from townhome developments to mid and high-rise developments.

Predominantly low-density residential use should be encouraged where business or commercial use is not economically viable while higher density, commercial and multi-family residential developments encouraged where transit lines, accessibility and visibility come together to create an environment where the mix of uses serve and support employees, businesses and residents.

Compatible uses in this category include local parks and open space, smaller scale religious institutions, day care homes or centers, and social service centers, as permitted within the City's Zoning Ordinance, which support and complement the residential neighborhood.

2. Mixed Use

The Mixed-Use land use designation recognizes that the primary commercial corridors of the early 20th century have given way to an urban blend of uses and intensity of development. Mixed-use areas now serve as transitional uses between the auto-oriented commercial-intensive centers and predominantly residential areas on the interior of the neighborhood. This designation is intended to address a varied mix of residential, commercial and institutional uses that serve and complement the neighborhood.

Within the Redevelopment Project Area, there are several arterial corridors including Clybourn Avenue, Division Street, and Chicago Avenue. These corridors should serve as vibrant, mixed-use corridors with ground floor commercial uses with residential or service commercial uses above. A concentration of neighborhood scale commercial uses that offer quality goods and services and promote pedestrian activity are encouraged in these areas to keep spending power within the community while enlivening the street. While the heart of the corridors may be home to a mix of uses including commercial and residential as well as complementary public or institutional uses, more intensive retail, service or entertainment uses are encouraged at key commercial nodes with good accessibility, visibility and in proximity to similar and compatible uses such as Halsted/Division, Larabee/Division, and Clyborn/Division/Sedgewick.

3. Commercial/Industrial

The western edge of the Project Area is intended to serve as a buffer between the Goose Island Planned Manufacturing District on the west and the residential uses on the east. This land use category may include commercial, industrial and office uses. Residential uses are prohibited due to the area's proximity to the more intensive industrial uses of Goose Island on the opposite side of the river. Planned

development applications with daycare, school, hospital, outdoor dining or outdoor entertainment uses along this portion of the river will be discouraged where opposite from or adjacent to heavy industrial uses.

The commercial/industrial areas are illustrated in Figure 10. Amended General Land Use Plan.

4. Institutional

The Institutional land use category identifies major educational, recreational, and civic facilities which are important physical assets of the community and serve as social gathering places. These are among the most important building blocks of the community and include public schools, libraries, police and fire stations, and post offices. School and library facilities and programming should be enhanced for the benefit and growth of the whole community. This category also includes private-institutional assets which are facilities that provide critical community services by non-profit or quasi-public organizations. In the event of disposition of any property associated with institutional land uses, mixed-uses under the guidance of the Planned Development process would be appropriate.

5. Public Parks - Open Space

Parks-Open Space areas include neighborhood scale public parks and open space areas. In addition to larger parks and recreation areas, smaller parks and open space for day to day enjoyment and recreational opportunities are encouraged within the Redevelopment Project Area to serve existing and future residents of existing neighborhoods and community areas.

Bicycle path development and bike rental stations are encouraged at park and recreation locations, transit stations and other key pedestrian locations within the Redevelopment Project Area.

8. DESIGN CONTROLS AND CRITERIA

No changes.

9. REDEVELOPMENT PLAN AND PROJECT FINANCING

The entire section entitled "Eligible Project Costs" shall be deleted and replaced with the following:

The various redevelopment expenditures that are eligible for payment or reimbursement under the Act are reviewed below. Following this review is a list of estimated redevelopment project costs that are deemed to be necessary to implement this Plan (the "Redevelopment Project Costs.")

In the event the Act is amended after the date of the approval of this Plan by the City Council of Chicago to (a) include new eligible redevelopment project costs, or (b) expand the scope or increase the amount of existing eligible redevelopment project costs (such as, for example, by increasing the amount of incurred interest costs that may be paid under 65 ILCS 5/11-74.4-3(q)(11)), this Plan shall be deemed to incorporate such additional, expanded or increased eligible costs as Redevelopment Project Costs under the Plan, to the extent permitted by the Act. In the event of such amendment(s) to the Act, the City may add any new eligible redevelopment project costs as a line item in Table 1 or otherwise adjust the line items in Table 1 without amendment to this Plan, to the extent permitted by the Act. In no instance, however, shall such additions or adjustments result in any increase in the total Redevelopment Project Costs without a further amendment to this Plan.

Eligible Redevelopment Costs

Redevelopment project costs include the sum total of all reasonable or necessary costs incurred, estimated to be incurred, or incidental to this Plan pursuant to the Act. Such costs may include, without limitation, the following:

- a) Costs of studies, surveys, development of plans and specifications, implementation and administration of the redevelopment plan including but not limited to, staff and professional service costs for architectural, engineering, legal, financial, planning or other services (excluding lobbying expenses), provided that no charges for professional services are based on a percentage of the tax increment collected;*
- b) The cost of marketing sites within the Project Area to prospective businesses, developers and investors;*
- c) Property assembly costs, including but not limited to, acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land;*
- d) Costs of rehabilitation, reconstruction or repair or remodeling of existing public or private buildings, fixtures, and leasehold improvements; and the cost of replacing an existing public building if pursuant to the implementation of a redevelopment project the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment; including any direct or indirect costs relating to Green Globes or LEED certified construction elements or construction elements with an equivalent certification;*
- e) Costs of the construction of public works or improvements including any direct or indirect costs relating to Green Globes or LEED certified construction*

elements or construction elements with an equivalent certification subject to the limitations in Section 11-74.4-3(q)(4) of the Act;

f) Costs of job training and retraining projects including the cost of "welfare to work" programs implemented by businesses located within the Project Area;

g) Financing costs including, but not limited to, all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued thereunder including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for a period not exceeding 36 months following completion and including reasonable reserves related thereto;

h) To the extent the City by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the redevelopment plan and project;

i) An elementary, secondary, or unit school district's increased costs attributable to assisted housing units will be reimbursed as provided in the Act;

j) Relocation costs to the extent that the City determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or state law or by Section 74.4-3(n)(7) of the Act;

k) Payment in lieu of taxes, as defined in the Act;

l) Costs of job training, retraining, advanced vocational education or career education, including but not limited to, courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs: (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in the Project Area; and (ii) when incurred by a taxing district or taxing districts other than the City, are set forth in a written agreement by or among the City and the taxing district or taxing districts, which agreement describes the program to be undertaken including but not limited to, the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40, and 3-40.1 of the Public Community College Act, 110 ILCS 805/3-37, 805/3-38, 805/3-40 and 805/3-40.1, and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of the School Code, 105 ILCS 5/10-22.20a and 5/10-23.3a;

m) Interest costs incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:

- 1. such costs are to be paid directly from the special tax allocation fund established pursuant to the Act;*

2. *such payments in any one year may not exceed 30 percent of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;*
 3. *if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this provision, then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;*
 4. *the total of such interest payments paid pursuant to the Act may not exceed 30 percent of the total: (i) cost paid or incurred by the redeveloper for such redevelopment project, plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by the City pursuant to the Act; and*
 5. *up to 75 percent of the interest cost incurred by a redeveloper for the financing of rehabilitated or new housing units for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act.*
- n) *Instead of the eligible costs provided for in (m) 2, 4 and 5 above, the City may pay up to 50 percent of the cost of construction, renovation and/or rehabilitation of all low- and very low-income housing units (for ownership or rental) as defined in Section 3 of the Illinois Affordable Housing Act. If the units are part of a residential redevelopment project that includes units not affordable to low- and very low-income households, only the low- and very low-income units shall be eligible for benefits under the Act;*
- o) *The cost of daycare services for children of employees from low-income families working for businesses located within the Project Area and all or a portion of the cost of operation of day care centers established by Project Area businesses to serve employees from low-income families working in businesses located in the Project Area. For the purposes of this paragraph, "low-income families" means families whose annual income does not exceed 80 percent of the City, county or regional median income as determined from time to time by the United States Department of Housing and Urban Development;*
- p) *Unless explicitly provided in the Act, the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost;*
- q) *If a special service area has been established pursuant to the Special Service Area Tax Act, 35 ILCS 235/0.01 et. seq. then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act may be used within the Project Area for the purposes permitted by the Special Service Area Tax Act as well as the purposes permitted by the Act.*

The section entitled "**Estimated Project Costs**", which lists and describes eleven types of eligible costs, shall be deleted in its entirety and replaced with the following:

Estimated Project Costs

A range of activities and improvements will be required to implement this tax increment financing project. The proposed eligible activities and their costs

previously described in Chapter 6 are further briefly described below and also shown in Table 1.

1. *Professional services including: Planning, legal, surveys, fees, and other related development costs. This budget element provides for studies and survey costs for planning and implementation of the project, including planning and legal fees, architectural and engineering, marketing, financial and special service costs. (Estimated cost: \$8,000,000).*
2. *Property assembly costs, including acquisition of land and other property, real or personal or rights or interest therein, and other appropriate and eligible costs needed to prepare the property for redevelopment. Land acquisition may include acquisition of both improved and vacant property in order to create development sites, accommodate public rights-of-way or to provide other public facilities needed to achieve goals and objectives of this redevelopment plan. Property assembly costs also include: demolition of existing improvements, including clearance of blighted properties or clearance required to prepare sites for new development; site preparation, including grading, and other appropriate and eligible site activities needed to facilitate new construction; and environmental clean up costs associated with property assembly which are required to render the property suitable for redevelopment. (Estimated cost: \$65,000,000).*
3. *Rehabilitation of Existing Buildings, Fixtures and Leasehold Improvements, Affordable Housing Construction and Rehabilitation Costs. (Estimated cost: \$438,000,000).*
4. *...Construction of public improvements which may include, but are not limited to, provision of water and sewer service in the public way, road construction, or other roadway improvements, provision of public support facilities, and streetscape amenities. These improvements are intended to improve access to the Redevelopment Project Area, stimulate private investment, and establish a more coherent pattern of land use and public facilities intended to serve the area. Among the public facilities that may be constructed as part of this Redevelopment Plan and Project are schools, parks, a library, a district police station, and a new transit station. (Estimated cost: \$250,000,000).*
5. *Costs of job training, retraining, and welfare-to-work (Estimated cost: \$25,000,000).*
6. *Relocation costs (Estimated cost: \$20,000,000)*
7. *Interest costs pursuant to the provisions of the Act. Estimated cost: \$95,000,000).*
8. *Costs of day care services. (Estimated cost: \$20,000,000).*

The estimated gross eligible project costs are \$921,000,000. All project cost estimates are in 2021 dollars.

¹This category may also include paying for or reimbursing (i) an elementary, secondary or unit school district's increased costs attributed to assisted housing units, and (ii) capital costs of taxing districts impacted by the redevelopment of the Project Area. As permitted by the Act, to the extent the City by written agreement accepts and approves the same, the City may pay, or reimburse all, or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the Plan.

²Total Redevelopment Project Costs represent an upper limit on expenditures that are to be funded using tax increment revenues and exclude any additional financing costs, including any interest expense, capitalized interest and costs associated with optional redemptions. These costs are subject to prevailing market conditions and are in addition to Total Redevelopment Project Costs. Within this limit, adjustments may be made in line items without amendment to this Plan, to the extent permitted by the Act.

³The amount of the Total Redevelopment Project Costs that can be incurred in the Project Area will be reduced by the amount of redevelopment project costs incurred in contiguous redevelopment project areas, or those separated from the Project Area only by a public right-of-way, that are permitted under the Act to be paid, and are paid, from incremental property taxes generated in the Project Area, but will not be reduced by the amount of redevelopment project costs incurred in the Project Area which are paid from incremental property taxes generated in contiguous redevelopment project areas or those separated from the Project Area only by a public right-of-way.

⁴All costs are in 2021 dollars and may be increased by five percent (5%) after adjusting for inflation reflected in the Consumer Price Index (CPI) for All Urban Consumers for All Items for the Chicago-Gary-Kenosha, IL-IN-WI CMSA, published by the U.S. Department of Labor.

Additional funding from other sources such as federal, state, county, or local grant funds may be utilized to supplement the City's ability to finance Redevelopment Project Costs identified above.

The section following Table 1, with the heading of “Sources of Funds”, shall be deleted and replaced with the following:

Sources of Funds to Pay Redevelopment Project Costs

Funds necessary to pay for Redevelopment Project Costs and secure municipal obligations issued for such costs are to be derived primarily from Incremental Property Taxes. Other sources of funds which may be used to pay for Redevelopment Project Costs or secure municipal obligations are land disposition proceeds, state and federal grants, investment income, private financing and other legally permissible funds the City may deem appropriate. The City may incur redevelopment project costs which are paid for from funds of the City other than incremental taxes, and the City may then be reimbursed from such costs from incremental taxes. Also, the City may permit the utilization of guarantees, deposits and other forms of security made available by private sector developers. Additionally, the City may utilize revenues, other than State sales tax increment revenues, received under the Act from one redevelopment project area for eligible costs in another redevelopment project area that is either contiguous to, or is separated only by a public right-of-way from, the redevelopment project area from which the revenues are received.

The Project Area may be contiguous to or separated by only a public right-of-way from other redevelopment project areas created under the Act. The City may utilize net incremental property taxes received from the Project Area to pay eligible redevelopment project costs, or obligations issued to pay such costs, in other contiguous redevelopment project areas or project areas separated only by a public right-of-way, and vice versa. The amount of revenue from the Project Area, made available to support such contiguous redevelopment project areas, or those separated only by a public right-of-way, when added to all amounts used to pay eligible Redevelopment Project Costs within the Project Area, shall not at any time exceed the total Redevelopment Project Costs described in this Plan.

The Project Area may become contiguous to, or be separated only by a public right-of-way from, redevelopment project areas created under the Industrial Jobs Recovery Law (65 ILCS 5/11-74.6-1, et seq.). If the City finds that the goals, objectives and financial success of such contiguous redevelopment project areas or those separated only by a public right-of-way are interdependent with those of the Project Area, the City may determine that it is in the best interests of the City and the furtherance of the purposes of the Plan that net revenues from the Project Area be made available to support any such redevelopment project areas, and vice versa. The City therefore proposes to utilize net incremental revenues received from the Project Area to pay eligible redevelopment project costs (which are eligible under the Industrial Jobs Recovery Law referred to above) in any such areas and vice versa. Such revenues may be transferred or

loaned between the Project Area and such areas. The amount of revenue from the Project Area so made available, when added to all amounts used to pay eligible Redevelopment Project Costs within the Project Area or other areas as described in the preceding paragraph, shall not at any time exceed the total Redevelopment Project Costs described in Table 1 of this Plan.

The section with the heading of “**Nature and Term of Obligations to be Issued**” shall be deleted and replaced with the following:

ISSUANCE OF OBLIGATIONS

The City may issue obligations secured by Incremental Property Taxes pursuant to Section 11-74.4-7 of the Act. To enhance the security of a municipal obligation, the City may pledge its full faith and credit through the issuance of general obligations bonds. Additionally, the City may provide other legally permissible credit enhancements to any obligations issued pursuant to the Act.

*The redevelopment project shall be completed, and all obligations issued to finance redevelopment costs shall be retired, no later than December 31 of the year in which the payment to the City treasurer as provided in the Act is to be made with respect to ad valorem taxes levied in the **thirty-fifth** calendar year following the year in which the ordinance approving the Project Area is adopted.*

Also, the final maturity date of any such obligations which are issued may not be later than 20 years from their respective dates of issue. One or more series of obligations may be sold at one or more times in order to implement this Plan. Obligations may be issued on a parity or subordinated basis.

In addition to paying Redevelopment Project Costs, Incremental Property Taxes may be used for the scheduled retirement of obligations, mandatory or optional redemptions, establishment of debt service reserves and bond sinking funds. To the extent that Incremental Property Taxes are not needed for these purposes, and are not otherwise required, pledged, earmarked or otherwise designated for the payment of Redevelopment Project Costs, any excess Incremental Property Taxes shall then become available for distribution annually to taxing districts having jurisdiction over the Project Area in the manner provided by the Act.

The section with the heading of “**Anticipated Equalized Assessed Valuation**”, shall be deleted in its entirety and replaced with the following:

Anticipated Equalized Assessed Valuation

Once the project has been completed and the property is fully assessed, the equalized assessed valuation (EAV) of real property within the Redevelopment Project Area is estimated at between \$900,000,000 and \$1,000,000,000. This

estimate has been calculated assuming that the Redevelopment Project Area will be developed in accordance with amended general land use plan described in Figure 10: Amended General Land Use Plan of this document.

The EAV assumes that the assessed value of property within the study area will increase substantially as a result of new development within the Redevelopment Project Area.

Calculation of the projected EAV is based on several other assumptions, including: 1) redevelopment of the Redevelopment Project Area will occur in a timely manner; 2) the application of a State Equalization Factor for Cook County of 2.916 to the projected assessed value of property within the study area; 3) an aggregate property tax rate of 6.89 percent applied to the incremental EAV, and 4) an annual inflation rate of 3.0 percent. The projected tax rate and State Equalization Factor for Cook County are based on the actual most recent values for assessment year 2019.

Financial Impact on Taxing Districts

The following paragraph shall be added at the end of the section entitled “**Financial Impact on Taxing Districts**”:

The Act requires an assessment of any financial impact of the Project Area on, or any increased demand for services from, any taxing district affected by the Plan and a description of any program to address such financial impacts or increased demand. The City intends to monitor development in the Project Area and with the cooperation of the other affected taxing districts will attempt to ensure that any increased needs are addressed in connection with any particular development.

The next section, entitled “**Completion of the Redevelopment Project and Retirement of Obligations to Finance Redevelopment Projects Costs**”, shall be deleted, as the topic has been addressed earlier in the document.

10. PROVISIONS FOR AMENDING THE PLAN

No changes.

11. CITY OF CHICAGO COMMITMENT TO FAIR EMPLOYMENT PRACTICES AND AFFIRMATIVE ACTION

The five paragraphs of this chapter shall be deleted in their entirety and replaced with the following:

The City is committed to and will affirmatively implement the following principles with respect to this Plan:

- A) The assurance of equal opportunity in all personnel and employment actions, with respect to the Redevelopment Project, including, but not limited to hiring, training, transfer, promotion, discipline, fringe benefits, salary, employment working conditions, termination, etc., without regard to race, color, sex, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, source of income, or housing status.*
- B) Redevelopers must meet the City's standards for participation of 26 percent Minority Business Enterprises and 6 percent Woman Business Enterprises and the City Resident Construction Worker Employment Requirement as required in redevelopment agreements.*
- C) This commitment to affirmative action and nondiscrimination will ensure that all members of the protected groups are sought out to compete for all job openings and promotional opportunities.*
- D) Redevelopers will meet City standards for any applicable prevailing wage rate as ascertained by the Illinois Department of Labor to all project employees.*

The City shall have the right in its sole discretion to exempt certain small businesses, residential property owners and developers from the above.

APPENDIX A (LEGAL DESCRIPTION)

APPENDIX B (ELIGIBILITY REPORT)

Re: Near North Redevelopment Project Area
(the "Redevelopment Project Area")

Dear Addressees:

I am the Corporation Counsel of the City of Chicago, Illinois (the "City") and, in such capacity, I am the head of the City's Law Department. In such capacity, I am providing the opinion required by Section 11-74.4-5(d)(4) of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq. (the "Act"), in connection with the submission of the report (the "Report") in accordance with, and containing the information required by, Section 11-74.4-5(d) of the Act for the Redevelopment Project Area.

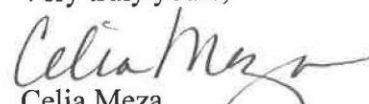

Attorneys, past and present, in the Law Department of the City and familiar with the requirements of the Act, have had general involvement in the proceedings affecting the Redevelopment Project Area, including the preparation of ordinances adopted by the City Council of the City with respect to the following matters: approval of the redevelopment plan and project for the Redevelopment Project Area, designation of the Redevelopment Project Area as a redevelopment project area, and adoption of tax increment allocation financing for the Redevelopment Project Area, all in accordance with the then applicable provisions of the Act. Various departments of the City, including, if applicable, the Law Department, Department of Planning and Development, Department of Finance and Office of Budget and Management (collectively, the "City Departments"), have personnel responsible for and familiar with the activities in the Redevelopment Project Area affecting such City Departments and with the requirements of the Act in connection therewith. Such personnel are encouraged to seek and obtain, and do seek and obtain, the legal guidance of the Law Department with respect to issues that may arise from time to time regarding the requirements of, and compliance with, the Act.

In my capacity as Corporation Counsel, I have relied on the factual certification of the Commissioner of the Department of Planning and Development attached hereto as Schedule 1, along with the general knowledge and actions of the appropriately designated and trained staff of the Law Department and other applicable City Departments involved with the activities affecting the Redevelopment Project Area. In addition, I have caused to be examined or reviewed by members of the Law Department of the City the certified audit report, to the extent required to be obtained by Section 11-74.4-5(d)(9) of the Act and submitted as part of the Report, which is required to review compliance with the Act in certain respects, to determine if such audit report contains information that might affect my opinion. I have also caused to be examined or reviewed such other documents and records as were deemed necessary to enable me to render this opinion. Nothing has come to my attention that would result in my need to qualify the opinion hereinafter expressed.

Based on the foregoing, it is my opinion that, in all material respects, the City is in compliance with the provisions and requirements of the Act in effect and then applicable at the time actions were taken from time to time with respect to the Redevelopment Project Area.

This opinion is given in an official capacity and not personally and no personal liability shall derive herefrom. Furthermore, the only opinion that is expressed is the opinion specifically set forth herein, and no opinion is implied or should be inferred as to any other matter. Further, this opinion may be relied upon only by the addressees hereof and the Mayor of the City in providing her required certification in connection with the Report, and not by any other party.

Very truly yours,

Celia Meza
Corporation Counsel

2. DPD personnel have monitored compliance with the requirements of the Act and the Law during the previous fiscal year under my supervision and to my reasonable satisfaction in connection with each of the Redevelopment Project Areas.

1 MS. O'REILLY: We are going to open the
2 meeting.

3 I would like to introduce the other
4 JRB members.

5 If you could please introduce
6 yourself and your agency.

7 MS. RUFFOLO: I'll start. My name is Trish
8 Marino Ruffolo, and I'm with the Cook County Bureau
9 of Economic Development.

10 MS. CREED: This is Tracey Creed from Chicago
11 Public Schools.

12 MR. WHITE: Brendan White. I'm with the City
13 of Chicago.

14 MS. DRECYNSKI: Michelle Dreczynski. I'm
15 with the Near North Unity Program and also a
16 resident of the TIF.

17 MS. O'REILLY: Okay, great.

18 And I am Beth O'Reilly from the
19 Chicago Park District.

20 For the record, again, my name is
21 Beth O'Reilly. I am the representative of the
22 Chicago Park District, which under Section
23 11-74.4-5 of the Tax Increment Allocation
24 Redevelopment Act is one of the statutorily

1 designated members of the JRB, the Joint Review
2 Board.

3 Until election of a chairperson, I
4 will moderate this Joint Review Board meeting.

5 For the record, this will be a
6 meeting to review the proposed Amendment Number 2
7 to the Near North Tax Increment Financing District.

8 The date of this meeting was
9 announced at and set by the Community Development
10 Commission of the City of Chicago at its meeting of
11 June 8th, 20201.

12 Notice of this meeting of the Joint
13 Review Board was also provided by certified mail to
14 each of the taxing districts represented on the
15 board which includes Board of Education, City
16 Colleges, Chicago Park District, Cook County, and
17 the City of Chicago, and a public member.

18 Public notice of this meeting was
19 also posted as of Tuesday, July 6th, 2021, in
20 various locations throughout City Hall.

21 When a proposed redevelopment plan
22 would result in displacement of residents from ten
23 or more inhabited residential units or would
24 include 75 or more inhabited residential units, the

1 TIF Act requires that a public member of the Joint
2 Review Board must reside in the proposed
3 redevelopment project area.

4 With us today is Michelle -- and I
5 can't even start the last name. I'm sorry.

6 MS. DRECYNSKI: Dreczynski. That's okay.

7 MS. O'REILLY: Okay. Dreczynski.

8 Ms. Dreczynski, are you familiar
9 with the boundaries of the amended Near North TIF
10 redevelopment project area?

11 MS. DRECYNSKI: Yes, ma'am, I am.

12 MS. O'REILLY: Okay. And what is the address
13 of your primary residence?

14 MS. DRECYNSKI: 657 West Hobbie -- that's
15 H-o-b-b-i-e -- Chicago 60610.

16 MS. O'REILLY: Okay. Is the such address
17 within the boundaries of the proposed amended Near
18 North Increment Financing redevelopment project
19 area?

20 MS. DRECYNSKI: Yes, it is.

21 MS. O'REILLY: Ms. Dreczynski, are you
22 willing to serve as the public member for this
23 Joint Review Board for the amended Near North TIF
24 Increment Financing redevelopment project area?

1 MS. DRECYNSKI: Yes, I am.

2 MS. O'REILLY: I will entertain a motion that
3 Michelle Dreczynski be selected as the public
4 member.

5 Is there a motion?

6 MS. CREED: Yes, there's a motion. This is
7 Tracey.

8 MS. O'REILLY: Okay. Is there a second?

9 MS. RUFFOLO: I second.

10 MS. O'REILLY: Great.

11 All opposed, please vote by saying
12 no.

13 Let the record reflect that Michelle
14 Dreczynski has been selected as the public member
15 for the amended Near North Tax Increment Financing
16 redevelopment project area.

17 The next order of business is to
18 select a chairperson for this Joint Review Board.

19 Are there any nominations?

20 MS. CREED: I nominate you, Beth.

21 MS. O'REILLY: Oh, thanks, Tracey.

22 All in favor of this nomination,
23 please vote by saying aye.

24 (Chorus of ayes.)

1 MS. O'REILLY: All opposed, please vote by
2 saying no.

3 Let the record reflect that Beth
4 O'Reilly has been elected as chairperson and will
5 now serve as the chairperson for the remainder of
6 this meeting.

7 As I mentioned, this meeting, we
8 will be reviewing a plan for the Near North TIF
9 District Amendment Number 2 proposed by the City.

10 Staff of the City's Department of
11 Planning and Development and Law as well as other
12 departments have reviewed this plan amendment which
13 was introduced to the City Council -- City
14 community Development Commission on June 8th, 2021.

15 We will listen to a presentation by
16 the consultants on the plan.

17 Following the presentation, we can
18 address any questions that members might have for
19 the consultant or City staff.

20 An amendment to the TIF requires us
21 to base our recommendation to approve or disapprove
22 the proposed Near North TIF District Amendment
23 Number 2 on the basis of the area of the plan
24 satisfying the plan requirements, the eligibility

1 criteria defined in the TIF Act and the objectives
2 of the TIF Act.

3 If the board approves the plan
4 amendment, the board will then issue an advisory
5 nonbinding recommendation by the vote of the
6 majority of those members present in voting. Such
7 recommendation shall be submitted to the City
8 within 30 days of the meeting. Failure to submit
9 such recommendations shall deem to constitute
10 approval by the board.

11 If the board disapproves of the plan
12 amendment, the board must issue a written report
13 describing why the plan and the area failed to meet
14 one or more of the objectives of the TIF Act and
15 both the plan requirements and the eligibility
16 criteria of the TIF Act.

17 The City will then have 30 days to
18 resubmit the revised plan.

19 The board and the City must also
20 confer during this time to try to resolve the
21 issues that led to the board's disapproval.

22 If such issues cannot be resolved or
23 if the revised plan is disapproved, the City may
24 proceed with the plan, but the plan can be approved

1 only by three-fifths vote of the City Council,
2 excluding positions of members that are vacant and
3 those members who are ineligible to vote because of
4 conflicts of interest.

5 So here we will now review the Near
6 North Amendment Number 2 being presented by Johnson
7 Research Group Incorporated.

8 MR. SLATTERY: I'm going to go ahead and do
9 the presentation today.

10 MS. O'REILLY: Okay.

11 MR. SLATTERY: And also just a -- John
12 Zukosky is -- he can't have volume right now, but
13 he is present right now and he's speaking through
14 chat. So ...

15 Good morning, all. For the record,
16 my name is Ryan Slattery. I'm the project manager
17 with the Department of Planning and Development.

18 I'm here today with Ann Moroney and
19 Ralph Kinser of Johnson Research Group, business
20 consultants for the TIF amendment.

21 I'm just going to go over the agenda
22 for this morning. First, we're going to discuss
23 why we're here, the purpose for the TIF amendment.

24 After that, we're going to walk

1 through the Near North's amendment boundaries of
2 the areas, the proposed land use plan, the goals
3 and objectives.

4 We'll also discuss major projects
5 that have occurred since it was designated, review
6 the updated budget, and go over future projects
7 within the area.

8 Once we finish the presentations,
9 we'll be happy to answer any questions you guys may
10 have.

11 So why are we here? The main
12 purpose for why we're here is to extend the life of
13 the TIF district for an additional 12 years to
14 allow for the continued redevelopments of the
15 former Cabrini-Green CHA housing within the project
16 area.

17 Additional actions include the
18 plan -- actions to the plan include amending the
19 termination date, revising the budget, updating the
20 land use plan, and minor changes to the plan
21 language.

22 Near North TIF is generally bounded
23 by North Avenue to the north, Wells Street to the
24 east, Chicago Avenue to the south, and then the

1 North Branch Chicago River to the west.

2 This TIF was created in July 30,
3 1997, as a blighted area.

4 The City received state authority to
5 extend the life of the TIF in May 2020.

6 So here we have the general land use
7 plan for the TIF area as it relates to its current
8 zoning for the properties.

9 So each TIF district has a list of
10 goals and objectives for Near North. The main
11 goals include promoting the development of low- and
12 moderate-income residential development, stimulating
13 private investment, facilitate assembly as
14 preparation for projects, improving infrastructure,
15 mass transit, and public facilities.

16 Here we have just a few of the
17 projects that receive TIF funding. North Town
18 Village receives \$5.1 million to construct
19 145 multifamily residential units. River Village
20 site G received \$5 million to construct
21 102 condominiums. Lakefront Supportive Housing
22 received \$1 million in TIF grants to construct a
23 33,000 square foot five-story single-room occupancy
24 project that houses 96 units. Next we have

1 Parkside of Old Town I, where they received
2 \$8.8 million of TIF funding to construct
3 263 residential units. Also we have Parkside IIB
4 rental projects who received almost \$10 million of
5 TIF funding for construction of 106 rental units.
6 Also we have Clybourn Division. They received
7 \$8.1 million of TIF funds to construct 84 rental
8 units. And then, finally, we have two parks
9 district ideas that received TIF funding. First,
10 Stanton Park at 2 million and Seward Park at
11 4 million.

12 We have the amended budget here.
13 Adding the 12 years of TIF will result in an
14 additional increment that wasn't projected when TIF
15 was created.

16 Here is the updated budget. The
17 previous budget when the TIF was created was
18 281 million. So we're proposing the 921 million
19 for the additional 12 years.

20 There are three known sites right
21 now for future development. The Near North High
22 School site is anticipated to produce 482 units
23 over four or five phases. Oak and Larabee site is
24 at the southeast corner of Larabee and Oak, and it

1 will create approximately 78 rental units in phase
2 one. It's anticipated there will be a phase two
3 will occur but the numbers are not known at this
4 time. And finally, at the largest of the sites is
5 a Halsted and Division development. This site will
6 produce upwards of 600 units in multiphase.

7 Estimated six phrases.

8 So we're here today at the Joint
9 Review Board. Our next meeting if this goes well
10 is going to CDC public hearing in August with
11 September City Council introduction and then voted
12 out in the City Council in October.

13 Thank you for listening to the
14 presentation, and we're happy to answer any
15 questions you guys might have.

16 MS. O'REILLY: Anyone have any questions?

17 Okay. I don't. I think it's a
18 great extension. I know CHA has a lot of work
19 still to do there, and from where I sit, we do have
20 an active project and the extension will certainly
21 help us complete that within the time limit for the
22 open space of the park where Near North High School
23 is sitting or was sitting --

24 MR. SLATTERY: Yeah, I don't know if it's TIF

1 district. I don't know if it's actually been --

2 MS. O'REILLY: I think we have part of that,
3 yeah.

4 MR. SLATTERY: Yeah.

5 MS. O'REILLY: So if nobody has -- if the
6 members don't have any questions, I will entertain
7 a motion that this Joint Review Board finds the
8 proposal of the Near North Tax Increment Financing
9 District Amendment Number 2 satisfies the
10 redevelopment plan requirements under the TIF Act,
11 the eligibility criteria defined in Section
12 11-74.4-3 of the Act, and the objectives of the
13 TIF Act, that based on such findings, approve such
14 proposed plan amendments under the TIF Act.

15 Is there a motion?

16 MS. RUFFOLO: This is Trish. I motion.

17 MS. O'REILLY: Great.

18 Is there a second?

19 MS. CREED: This is Tracey. I second the
20 motion.

21 MS. O'REILLY: Okay. Any further discussion
22 or questions?

23 If not, all in favor, please vote by
24 saying aye.

1 (Chorus of ayes.)

2 MS. O'REILLY: All opposed, please vote by
3 saying no.

4 Let the record reflect that the
5 Joint Review Board's approval of the proposed Near
6 North Tax Increment Financing District Amendment
7 Number 2 under the TIF has passed.

8 MR. SLATTERY: John also voted "aye" as well
9 just to via chat.

10 MS. O'REILLY: Great. Okay.

11 Michelle, any questions, the public
12 member?

13 MS. DRECYNSKI: No, not really.

14 MS. O'REILLY: Okay. All right. Well, I
15 think, you know, that concludes our meeting.
16 Thanks, everybody for joining. Good to see you
17 all.

18 MR. SLATTERY: Yes. We'll have another
19 annual meeting I believe either in September or
20 October. So but we'll give you -- JoAnn, we'll
21 follow up with you guys once we know the date for
22 that.

23 MS. O'REILLY: Okay. Great. All right.

24 MS. WORTHY: Yes, I will be in touch.

INDEPENDENT AUDITOR'S REPORT

The Honorable Lori E. Lightfoot, Mayor
Members of the City Council
City of Chicago, Illinois

Opinion

We have audited the accompanying financial statements of the Near North Redevelopment Project of the City of Chicago, Illinois, as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Project's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Near North Redevelopment Project of the City of Chicago, Illinois, as of December 31, 2021, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City of Chicago, Illinois, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As described in Note 1, the financial statements of the Near North Redevelopment Project, City of Chicago, Illinois, are intended to present the financial position and the changes in financial position, of only that portion of the special revenue funds of the City of Chicago, Illinois that is attributable to the transactions of the Near North Redevelopment Project. They do not purport to, and do not, present the financial position of the City of Chicago, Illinois, as of December 31, 2021 and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Chicago's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

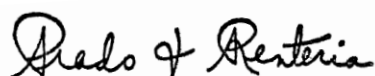

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Near North Redevelopment Project's basic financial statements. The Schedule of Expenditures by Statutory Code is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, such information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS
(UNAUDITED)

As management of the Near North Tax Increment Redevelopment Project Area (Project), we offer the readers of the Project's financial statements this narrative overview and analysis of the Project's financial performance for the year ended December 31, 2021. Please read it in conjunction with the Project's financial statements, which follow this section.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Project's basic financial statements. The Project's basic financial statements include three components: 1) government-wide financial statements, 2) governmental fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information concerning the Project's expenditures by statutory code.

Basic Financial Statements

The basic financial statements include two kinds of financial statements that present different views of the Project – the *Government-Wide Financial Statements* and the *Governmental Fund Financial Statements*. These financial statements also include the notes to the financial statements that explain some of the information in the financial statements and provide more detail.

Government-Wide Financial Statements

The government-wide financial statements provide both long-term and short-term information about the Project's financial status and use accounting methods similar to those used by private-sector companies. The statement of net position includes all of the project's assets and liabilities. All of the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash is received or paid. The two government-wide statements report the Project's net position and how they have changed. Net position – the difference between the Project's assets and liabilities – is one way to measure the Project's financial health, or position.

Governmental Fund Financial Statements

The governmental fund financial statements provide more detailed information about the Project's significant funds – not the Project as a whole. Governmental funds focus on: 1) how cash and other financial assets can readily be converted to cash flows and 2) the year-end balances that are available for spending. Consequently, the governmental fund statements provide a detailed short-term view that helps determine whether there are more financial resources that can be spent in the near future to finance the Project. Because this information does not encompass the additional long-term focus of the government-wide statements, we provide additional information at the bottom of the statements to explain the relationship (or differences) between them.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and governmental funds financial statements. The notes to the financial statements follow the basic financial statements.

Other Supplementary Information

In addition to the basic financial statements and accompanying notes, this report also presents a schedule of expenditures by statutory code. This supplementary information follows the notes to the financial statements.

Condensed Comparative Financial Statements

The condensed comparative financial statements are presented on the following page.

Analysis of Overall Financial Position and Results of Operations

Property tax revenue for the Project was \$39,698,958 for the year. This was an increase of 12 percent over the prior year. The change in net position (including other financing uses) produced a decrease in net position of \$38,026,684. The Project's net position decreased by 22 percent from the prior year making available \$133,171,176 of funding to be provided for purposes of future redevelopment in the Project's designated area. Expenses increased this year due to the Project's formulation of a redevelopment plan or necessary funding was substantially complete and available.

CITY OF CHICAGO, ILLINOIS
NEAR NORTH REDEVELOPMENT PROJECT

NOTES TO FINANCIAL STATEMENTS

Note 1 – Summary of Significant Accounting Policies

(a) *Reporting Entity*

In July 1997, the City of Chicago (City) established the Near North Tax Increment Redevelopment Project Area (Project). The area has been established to finance improvements, leverage private investment and create and retain jobs. The Project is accounted for within the special revenue funds of the City.

The financial statements present only the activities of the Near North Tax Increment Redevelopment Project and do not purport to present the financial position and the changes in financial position of any other special revenue funds of the City of Chicago, Illinois, as of December 31, 2021 and for the year then ended in accordance with accounting principles generally accepted in the United States of America.

(b) *Accounting Policies*

The accounting policies of the Project are based upon accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

(c) *Government-wide and Fund Financial Statements*

The government-wide financial statements (i.e., the statement of net position and the statement of activities) and the governmental fund financial statements (i.e., the balance sheet and the statement of governmental fund revenues, expenditures and changes in fund balance) report information on the Project. See Note 1(a).

(d) *Measurement Focus, Basis of Accounting and Financial Statements Presentation*

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied.

The governmental funds financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting* with only current assets and liabilities included on the balance sheet. Under *the modified accrual basis of accounting*, revenues are recorded when susceptible to accrual, i.e., both measurable and available to finance expenditures of the current period. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Property taxes are susceptible to accrual and recognized as a receivable in the year levied. Revenue recognition is deferred unless the taxes are received within 60 days subsequent to year-end. Expenditures are recorded when the liability is incurred.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in government-wide financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. The City has elected not to follow subsequent private-sector guidance.

CITY OF CHICAGO, ILLINOIS
NEAR NORTH REDEVELOPMENT PROJECT

NOTES TO FINANCIAL STATEMENTS
(Continued)

Note 1 – Summary of Significant Accounting Policies (Continued)

(d) *Measurement Focus, Basis of Accounting and Financial Statements Presentation (Concluded)*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from these estimates.

(e) *Assets, Liabilities and Net Position*

Cash and Investments

Cash being held by the City is generally deposited with the City Treasurer as required by the Municipal Code of Chicago. The City Comptroller issues warrants for authorized City expenditures which represent a claim for payment when presented to the City Treasurer. Payment for all City warrants clearing is made by checks drawn on the City's various operating bank accounts.

The City Treasurer and City Comptroller share responsibility for investing in authorized investments. Interest earned and fair market value adjustments on pooled investments are allocated to participating funds based on their average combined cash and investment balances. Since investment income is derived from pooled investments, the fair value measurement and fair value hierarchy disclosures of GASB 72 will not be separately presented in a note disclosure.

The City values its investments at fair value or amortized cost. U.S. Government securities purchased at a price other than par with a maturity of less than one year are recognized at amortized cost. In 2021, due to fair value adjustments, investment income is showing a loss.

Deferred Inflows

Deferred inflows represent deferred property tax revenue amounts to be recognized as revenue in future years in the governmental fund financial statements.

Capital Assets

Capital assets are not capitalized in the governmental funds but, instead, are charged as current expenditures when purchased. The Government-wide financial statements (i.e., the statement of net position and the statement of changes in net position) of the City includes the capital assets and related depreciation, if any, of the Project in which ownership of the capital asset will remain with the City (i.e., infrastructure, or municipal building). All other construction will be expensed in both the government-wide financial statements and the governmental funds as the City nor Project will retain the right of ownership.

Note 1 – Summary of Significant Accounting Policies (Concluded)

(f) *Stewardship, Compliance and Accountability*

Illinois Tax Increment Redevelopment Allocation Act Compliance

The Project's expenditures include reimbursements for various eligible costs as described in subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act and the Redevelopment Agreement relating specifically to the Project. Eligible costs include but are not limited to survey, property assembly, rehabilitation, public infrastructure, financing and relocation costs.

Reimbursements

Reimbursements, if any, are made to the developer for project costs, as public improvements are completed and pass City inspection. Refer to Note 3 for reimbursements paid to the developer.

Note 2 – Surplus Distribution

In December 2020, the City declared a surplus within the fund balance of the Project in the amount of \$68,858,463. In January 2021, the surplus funds were sent to the Cook County Treasurer's Office to be redistributed to the various taxing agencies.

Note 3 – Tax Abatement Payments

Under the terms of the redevelopment agreements, the Project paid the developers \$4,750,000 during the year ended December 31, 2021.

INDEPENDENT AUDITOR'S REPORT

The Honorable Lori E. Lightfoot, Mayor
Members of the City Council
City of Chicago, Illinois

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of Near North Redevelopment Project of the City of Chicago, Illinois, which comprise the statement of net position and governmental fund balance sheet as of December 31, 2021, and the related statement of activities and governmental fund revenues, expenditures and changes in fund balance for the year then ended, and the related notes to the financial statements, and we have issued our report thereon dated June 27, 2022.

In connection with our audit, nothing came to our attention that caused us to believe that the Project failed to comply with the regulatory provisions in Subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Allocation Redevelopment Act and Subsection (o) of Section 11-74.6-10 of the Illinois Industrial Jobs Recovery Law as they relate to the eligibility for costs incurred incidental to the implementation of the Near North Redevelopment Project of the City of Chicago, Illinois.

However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Project's noncompliance with the above referenced regulatory provisions, insofar as they relate to accounting matters.

This report is intended for the information of the City of Chicago's management. However, this report is a matter of public record, and its distribution is not limited.
