Re: Emergency Contract for Air Monitors

Vendor Number: 1054423 A Amount: \$14,153.20

PO Number: 18033 RX Number: 39612

Pursuant to Section 2-92-644 of the Municipal Purchasing Act, I am authorizing you to make an Emergency Contract for Air Monitors from A F C International, Inc. Based upon information received from members of your staff; I have determined that this procurement is necessary to meet bona fide operating emergencies.

You are hereby authorized to purchase Air Monitors in the amount of \$14,153.20 as requested in your letter dated August 7, 2008. Any amount in excess of the \$14,153.20 approved here will be subject to additional authorization and will be limited so as not to exceed the \$250,000.00 limit established by statute.

FROM: Suzanne Malec-McKenna *Suzanne Malec McKenna* (M)
Commissioner

RE: Emergency Purchase of Air Monitors and Associated Supplies

DATE: August 7, 2008

The following is a request for an emergency purchase of air monitors and associated supplies.

In accordance with the City's Emergency Operations Plan, the Department of Environment (DOE) is responsible for the remediation of hazardous material incidents and for air monitoring at special events hosted by the City. Properly functioning air monitors are critical for DOE to perform the tasks associated with these responsibilities. Currently, the city does not have a contract with a vendor to provide air monitors or the associated supplies necessary for their proper operation. Previously, DOE purchased air monitors and associated supplies from AFC International, Inc. (AFC) under contract (PO# T26748) to the City. This contract expired in 2007 and the Department of Procurement Services has been working on a new contract; however, at this time, a contract has not been enacted and will not be in place before the next special event (Air & Water Show from Aug. 15-17) where air monitoring will be required. Therefore, DOE needs to purchase additional air monitors and associated supplies. DOE requested quotes from three contractors: AFC (MBE/WBE), Ashtead Technology, and ESG. DOE received the attached quotes from AFC and Ashtead. A quote was not submitted by ESG. The quotes were:

- AFC - \$14,153.20
- Ashtead Technology - \$16,420

NEIGHBORHOODS

In addition, the funds to be used to purchase the equipment are from the Urban Area Security Initiative 2005 grant, which expires on September 30, 2008.

Your promptest attention to this matter will be greatly appreciated.

If you have any questions, please contact Michael Woods at 744-9131.
