CFD Engine Co. 82
817 East 91st Street
JUP 674B

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. **Please describe the major features of this project:**
Plaster work to repair walls and ceilings demo required for room renovations, replace existing kitchen exhaust hood fan.

The JOC procurement method is the quickest and most efficient way to upgrade the fire stations slated for these improvements.
3. **If this project is a one trade project, please provide additional explanation of why it would not be in the City's best interest to do the project under JOC.**
Multiple trade project.
4. **If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, please provide an explanation on why JOC should be used:**
No non-prepriced items anticipated.
5. **If some elements of the proposed JOC project scope of work are covered by City Term Agreements, these elements should be removed from the JOC project.**
