**Re: Memorandums of Authorization (MOA) for the Residential Lighting Program**

Dear Ms. Lumpkin:

A Contract was recently award by DPS to be used primarily for construction the City's Residential Lighting Program. All projects constructed for this program are similar in scope and cost and therefore submitting an MOA for each individual work order under the program is redundant and unnecessary.

We therefore request that this one MOA (with the following Attachment A) be sufficient for all projects constructed under the Residential Light Program. We propose that for each project this MOA will be included in the Sub Order Release Package sent to DPS. MOAs and Attachment As will continued to be submitted for approval for any projects to be constructed with JOC that is outside the scope of the Residential Lighting Program.

Please see Attachment A for additional details regarding the program.

If you concur with our recommendation, please sign below and return

Sincerely,

 2/13/07
