Attachment A

Utilizing JOC For City Construction Projects

Project Number: 07-84-CWL1-001 Department: Transportation
Project Manager: Lubka Benak Telephone #: (312) 742-2837

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.

New landscape installation at 89th and South Chicago to include landscape bed preparation and new plant installation.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.

Project cannot be performed under the CLS contract since it is a new landscape installation project and not landscape maintenance services for an existing location. Additionally, the project is not practical for full bid.

3. If the project is a one trade project, please provide additional explanation of why it would be in the city's best interest to do the project under JOC:

It is a landscape project for which JOC was developed.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.

Not expected to be above 25% NPP

5. Why can this project not be procured through the City Landscape Services (CLS) Contract?

New landscape installation not covered by CLS
