

RESPONSE TO QUESTIONS
PRE-SUBMITTAL CONFERENCE
FOR PROFESSIONAL LAND SURVEYING SERVICES (SPEC. NO. 80680)
HELD
FRIDAY, MAY 21, 2010 - 1:00 PM

These questions were submitted in writing during the conference:

- 1) Is the Minority percentage 25/5 something that has to be met over the life of the contract or per Task Order?**

These goals are expected to be met over the life of the contract.

- 2) If the prime is a minority itself, does this same percentage apply or can it take 100 % of the job?**

These are Non-Target Market contracts. Therefore, the minority prime must provide the missing compliance component. *For example, if the prime is an MBE, it may use its certification to cover the MBE portion of compliance but must still provide a WBE certified firm to comply with the 5% requirement.*

- 3) Does each Task order require 70% Prime, 25% MBE and 5%WBE?**

NO. (The task requested is taken into consideration)

- 4) Can one MBE/WBE firm sub a total of 30% and fulfill the City's obligation for both?**

NO. (For each task order that is issued, vendor's will only be able to utilize a certified MBE/WBE certified firm toward their MBE goal or WBE goal, not both.)

To further understand the MBE/WBE program for these contracts, please read Exhibit 3 of the RFQ entitled:

SPECIAL CONDITIONS REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND WOMEN BUSINESS ENTERPRISE COMMITMENT
