Thank you for taking the time to submit materials and meet with the Board of Ethics. This letter serves as a summary of the phone conversation you had with staff yesterday. We informed you that, at our Board's April 17 meeting, the Board found that, per 2-156-070(b) of the Governmental Ethics Ordinance ("Ordinance"), you committed a minor violation of §2-156-140(c) (solicitation or acceptance of political contributions and membership on political fundraising committees) of the Ordinance by [REDACTED]
 [REDACTED] and, [REDACTED] working on processing [REDACTED]
 [REDACTED] political contributions, even though you do not actually solicit political contributions or decide who will receive them. This determination is confidential. Please also be advised that any further violations of this provision would not be considered minor by the Board.
