Mr. Berlin,

I am writing you upon recommendation after speaking to an attorney in Chicago's Board of Ethics today. I have just become an attorney with the City of Chicago this week, but I previously was a law clerk this past year. As a law clerk, I received a parting gift from fellow law clerk when he left. When I received the gift, I thought that it was just a thank you note. When I opened the letter after the law clerk left, however, I realized that it contained a \$25 gift card to Starbucks. Because of this, I have donated \$25 to "No Kid Hungry" Share Our Strength. Please find documentation of my donation attached. If I need to take any further steps or need to file a Statement of Financial Interest, please let me know.

Thank you!

*Elizabeth Hanford*
