Good morning,

I just returned from my educational training for the FABF. As a trustee for the Chicago Fire Pension Fund

I am required to attend educational seminars and workshops to enhance my ability to represent the best

interest of the membership in this position. I was appointed to 1st Deputy Fire Commissioner in November 2018, which placed

me on the board, replacing the former 1st Deputy. My position entails understanding and determining the best investments for

the fund to ensure that it is successful. Therefore, this education is needed and required by the fund yearly.

The Public Funds Summit seminar was held in Phoenix, AZ on January 6 through 8th, 2019 at the Omni Scottsdale Resort at

Montelucia in Scottsdale, AZ. Since I am a trustee; the Pension Board solely makes all of the travel arrangements and pays for the registration for the conference.

If you have any questions, please feel free to contact me.

1<sup>st</sup> Deputy Fire Commissioner
