Steve,

I, too, received a CARPLS request to serve on the Honorary Civic Committee for the 20th Anniversary Golden Gavel Celebration scheduled June 6, 2103 at the Art Institute. I understood that no fundraising was required as an Honorary Committee member, but I received a ticket to the event (valued at \$100 of which \$65 is tax deductible). Neither my title, position or department's name appears on their literature.
