Steve:

Pat, Michele, Thaddeus and I attended the General Reception on June 6th as guests of CARPLS. There was no dinner, but light refreshments were served. It's difficult to precisely place a value on these refreshments, but I would say that \$20 per person would be the maximum reasonable value.

Also, Thaddeus and Michele attended the Legends' Champagne Reception. They were also guests of CARPLS.

I am attaching several pages from the event program for your information. Please let us know if there are any other reporting requirements.

It appears that this was a "reasonable hosting" public event/ceremony as that term is defined in MCC 2-156-142. We determined that it was appropriate to attend this as it was related to official city business.
