STATEMENT FROM MAYOR EMANUEL ON GOVERNOR RAUNER'S STATE OF THE STATE

“While the governor is about to give his State of the State address calling for bipartisanship, the members of the state legislature just showed what bipartisanship actually looks like by coming together to override another of Bruce Rauner’s vetoes. The governor’s constant partisan actions speak louder than his empty words, and it’s clear after three years that the governor only reaches across the aisle with contempt and finger pointing.”
