

CHICAGO DEPARTMENT OF TRANSPORTATION
CITY OF CHICAGO

MEMORANDUM

To: The Honorable Carrie M. Austin
Chairman, Committee on the Budget and Government Operations

From: Rebekah Scheinfeld
Commissioner, Department of Transportation

CC: Deanne Millison
Mayor's Office of Legislative Counsel and Government Affairs

Date: November 2, 2017

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 084 – 1 – Smart Lighting – 37th Ward

The attached information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Mitts asked for an update through the chair on the smart lighting project in 37th Ward.

As shown in the attached map, LED Installation along certain arterial roadways in the 37th Ward are currently scheduled to begin the week of November 20th. The Department will be providing email updates on progress of the fixture conversion. The LED installation is schedule to be completed the week of December 18th. Retrofits on residential streets and alleys in the 37th Ward will occur in 2018. We will provide an update on 2018 before the end of this year.

As always, please let me know if you have any further questions.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 02 - Vision Zero Representatives

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Mitts asked for a list of employees who work on the Vision Zero Program.

The following employees work on the Vision Zero West Side program in the 37th ward:

Sean Wiedel (CDOT)
Brittani' Batts (consultant)
DeAndre Bingham (consultant)
Katie Bowes (consultant)
Rosanne Ferruggia Lubeck (consultant)
Antonio Redmond (consultant)
Shameka Turner (consultant)

Staff met with Alderman Mitts to discuss the Vision Zero West Side program on August 15, 2017 at her ward office. We will schedule another update meeting with the Alderman in the near future.

As always, please let me know if you have any further questions.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 03 – Shared Cost Sidewalk Applications – 44th Ward

The attached information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Tunney asked for a list and breakdown of Shared Sidewalk applications in the 44th Ward.

The attached list shows the Service Request Number (SR#) and addresses of Shared Cost Sidewalk applicants in the 44th Ward. The breakdown of applicants is as follows:

- 17 total applicants
- 9 of those applicants paid and became participants (those are the first 9 on the list, shown with the payment dates and amounts)
- 8 applicants elected not to participate in the 2017 Shared Cost Sidewalk Program (these payment columns are blank)

As always, please let me know if you have any further questions.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 - 04 – Solar Powered Speed Feedback Signs

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Osterman asked that CDOT provide the cost of the solar powered speed feedback signs for the 2018 Menu.

Solar powered speed feedback signs will be made available for the 2018 Menu season. A letter, from the Alderman to the Commissioner of Transportation, seeking a traffic study to install a solar powered speed feedback sign will initiate the process. Once received, the Traffic Safety team headed by Malihe Samadi will review the location. If the speed feedback sign is approved by the traffic engineers, the alderman will be asked to authorize funding from the ward Menu balance.

The cost of the solar powered speed feedback sign will be a combination of the solar powered speed feedback sign device and battery, as well as the installation of the device, including any concrete or asphalt improvements that are required to place it where it is best suited to serve the public. Sign devices purchased previously by CDOT cost between \$5,000 and \$12,000 a piece.

The contract to obtain solar powered speed feedback devices is expected to be bid in the first quarter, and awarded by the second quarter of 2018. Once the bid is awarded, we will have a

base price confirmed for these devices. CDOT will conduct briefings for aldermen and staff interested in the process to obtain these traffic-calming tools.

As always, please let me know if you have any further questions.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 05 – Loading/ Standing Zone Application

The attached information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Reilly & Alderman Smith asked why the detailed valet information was removed from the Loading/Standing Zone application.

Earlier this year, CDOT removed the line items which requested detailed valet information due to confusion by applicants and various ward staff who assumed the application served as a single document for all required licensing and permit approvals. Valet licenses are administered by BACP who verifies the existence of an authorized zone or directs the valet companies that one is needed which can only be obtained by the business its serving.

CDOT has prepared a revised draft Loading/Standing Zone Application that reincorporates the question about valet operations, and makes clear that a separate, additional process must be initiated by the Applicant with BACP. We will be posting the revised application for public use.

As always, please let me know if you have any further questions.

Standing/Loading Zone Application

PROCEDURES FOR NEW STANDING ZONES & NEW LOADING ZONES

Please note the following procedures when requesting a new standing zone or new loading zone:

1. Download the standard Standing/Loading Zone Application form along with the POS invoice from the Chicago Department of Transportation (CDOT) Web Site or obtain the Application and POS invoice from CDOT.
1. Complete the standard Standing/Loading Zone Application form. Completion of this Application form is only the first step and does not in any way guarantee that the request will be approved.
2. Provide the completed Standing/Loading Zone Application form to your alderman's office for review and approval.
3. If your alderman supports your request for a new standing zone or new loading zone, the alderman's office will provide you with a letter of continued review. Your request will not be processed if you do not have an aldermanic letter of continued review. Only the alderman can provide the aldermanic letter of continued review. Please do not contact any other City department for the aldermanic letter of continued review.
4. Once you have received an aldermanic letter of continued review, please complete the POS invoice by including the customer's name, address, city, state, and date. A blank POS invoice is attached on the last page of this application form. Please take the completed POS invoice to the nearest City of Chicago payment center and make a \$55 non-refundable payment as the application fee. The cashier will provide you with a valid payment receipt attached to the POS invoice. For payment center locations and hours of operation, please visit <http://www.cityofchicago.org/finance>.
5. Send your Standing/Loading Zone Application form, the aldermanic letter of support, and a copy of the \$55 payment receipt to the Department of Transportation, Division of Infrastructure Management, 30 North LaSalle Street, Room 310 or electronically to newloadingzones@cityofchicago.org.
6. The Department of Transportation, Division of Infrastructure Management, will contact you to schedule a field survey of the proposed new standing zone or new loading zone.
7. If the Department of Transportation, Division of Infrastructure Management, approves the proposed new standing zone or new loading zone you will be billed the fees that are referenced in the section below. If applicable, you will also be billed administrative fees for signage relocation, pay box relocation, or other charges required to install your signage. Your \$55 application fee will be applied against your total fee.
8. Once the fees referenced below are paid in full, the Department of Transportation, Division of Sign Management, will schedule the installation of the new signage.
9. **Retain copies of all documents and correspondence for your records.**

FEES

Fees for use of standing zones and loading zones are established by the Municipal Code of the City of Chicago. As of January 1, 2012, annual fees for these zones are as follows:

1. **\$500.00** for the first 20 feet for zones located in the Central Business District (“CBD”) an area starting at Division Street and Lake Michigan, westbound on Division Street to LaSalle Street, southbound on LaSalle Street to Chicago Avenue, westbound on Chicago Avenue to Halsted Street, southbound on Halsted Street to Roosevelt Road, then eastbound on Roosevelt Road to Lake Michigan).
2. **\$110.00** for the first 20 feet for zones that are not located in the CBD.
3. An additional **\$50.00 per foot** for each additional linear foot in excess of 20 feet for all zones in all areas of the city. To determine your fee, please refer to the Standing/Loading Zone Payment Guide on page 9 of this application.
4. The initial fee includes the cost of the installation and the first year’s annual maintenance fee. Your \$55.00 application fee will be applied to the initial fee.
5. The annual maintenance fee must be paid each additional year. Use of zones will be revoked and signage will be removed for failure to pay the annual maintenance fee.
6. The City may elect to adjust these fees periodically.
7. No new signage installations will be scheduled until the City receives payment for the initial fees.

CHECKLIST

In order for your request to be reviewed, your application must be complete and include (please check off):

- Letter on company letterhead requesting a standing zone or loading zone, specifically detailing the reasons for the zone. If there is not enough room on this application to answer all questions fully, please provide this information in your letter.
- Two photographs of the proposed location: one from across the street directed at your location and the second from the sidewalk at a property adjacent to your business.
- A diagram detailing the building, sidewalk, street, proposed location of the zone and all other parking restrictions on adjacent properties, including measurements. (Example provided)
- Completed Business Information Section.
- Completed Loading, Standing, or Valet Service Information Section (if applicable).**
- Signed Certification Section.

Check if Applying

NEW LOADING ZONE

Please understand that:

- Loading zones are designated areas in the curb lane for the loading and unloading of deliveries by commercial vehicles only and for momentary passenger pick-up and drop-off.
- Any commercial vehicle can utilize any loading zone for up to 30 minutes. Even if one party pays for a loading zone, the loading zone may be used by any other commercial vehicles to make deliveries to other businesses.
- Any passenger vehicle parking in a loading zone during the restricted hours is in violation of the Chicago Municipal Code and may receive a citation.
- It is illegal to post additional signage in the public way designating that the loading zone is reserved solely for your business.
- Any loading zone will be removed for failure to pay annual maintenance fees.
- The City may elect to adjust these fees periodically.

Restriction Times Requested:

Monday:	Thursday:	Sunday:
Tuesday:	Friday:	
Wednesday:	Saturday:	

Note: If you are seeking to have the requested Loading Zone used in conjunction with Valet Services, the Department of Business Affairs and Consumer Protection requires at least 25 feet for a valet parking service to operate.

Length of Zone: _____ feet for approximately _____ vehicle space(s)

Location of Requested Loading Zone: _____

Do you have access to an alley from your business space? Yes No

If no, why not? / If yes, why is loading not possible from the rear? _____

Is there an existing loading zone on your block? _____ If there is an existing loading zone on your block, why can't you share the existing loading zone? _____

Types of items loaded and unloaded: _____

Size/Type of commercial vehicles that would use the loading zone: _____

Please provide a description or attach a delivery schedule, or invoice record showing frequency and volume of deliveries: _____

Number of daily pickups and deliveries: _____

Are you seeking to have the requested **Loading Zone** designated as a "Day Care Loading Zone?"

Yes No

VALET SERVICE INFORMATION

Are you seeking to have the requested **Loading Zone** used in conjunction with Valet Services?

Yes No

Please understand that:

- In order to operate valet services you must first secure a separate valet parking operator license from the Department of Business Affairs and Consumer Protection (BACP). Please visit BACP's website at <http://www.cityofchicago.org/city/en/depts/bacp.html> for additional information on valet loading zones.
- Valet loading zones are designated areas in the curb lane for the loading and unloading of passengers from vehicles, and for the delivery of valet service by licensed operators.
- When not in use by a valet parking operator, valet zones can be used as loading zones by any commercial vehicle for up to 30 minutes. Any commercial vehicle may use any loading zone. Even if you pay for a loading zone, it may still be used by any other commercial vehicles when the valet parking operator is not using the loading zone.
- Any passenger vehicle parking in a loading zone during the restricted hours, but not being valet parked is in violation of the Chicago Municipal Code and is liable to receive a citation. Passenger vehicles can be in a valet loading zone during the restricted hours only if they are being valet parked.

CERTIFICATION

To be completed by business owner/manager:

I hereby certify that all statements made as part of this application and any attachments herein, are true to the best of my knowledge and belief following reasonable inquiry. I also understand that submission of this application does not guarantee the granting of a standing/loading zone. The City will analyze the benefits of placing the zone adjacent to my business versus the reduction of available street parking in the area. I acknowledge that the issuance of a standing/loading zone is a privilege granted by the City and not a right of my business ownership – the curb lane is and shall remain the property of the City. I agree to accept the decision of the alderman or the City to accept or deny my application.

Furthermore, I agree to follow all applicable laws as outlined by the Municipal Code of the City of Chicago, including, but not limited to Chapter 2-156 (Governmental Ethics), and any requirements established by the City. I also understand that the standing/loading zone may be removed at the alderman's discretion or at the urging of any City department including, but not limited to, non-payment of applicable annual maintenance fees.

Name of Business: _____

Signature: _____ Date: _____

Print Name: _____ Title: _____

ACKNOWLEDGEMENT OF CONTINUING RESPONSIBILITIES

If the applicant's request is supported by their alderman and if the requested signage is installed by the City, the applicant acknowledges each of the following:

FEES

1. The applicant is responsible for timely payment of all applicable annual maintenance fees.
2. Failure to receive an invoice for the annual maintenance fees is not a defense for non-payment of the annual maintenance fees.
3. The applicant shall promptly provide the City with written notification if any of the applicant's billing information changes including, but not limited to, the applicant's mailing address.
4. The applicant shall promptly provide the City with written notification if the applicant moves or if the applicant no longer wishes to keep the signage.
5. The applicant is responsible for payment of all annual fees up through the time the applicant provides the City with written notice that the applicant has moved or no longer requires the signage. Notices should be sent to:

City of Chicago
Department of Transportation
3458 South Lawndale Avenue
Chicago, IL 60623
(312-747-6525)

6. The City may, at the City's sole and exclusive discretion, suspend the applicant's business license(s), prevent the applicant from receiving permits, or take any other administrative action for failure to timely pay all annual maintenance fees.

USE

1. The City shall not have any responsibility whatsoever for any snow removal, cleanup, maintenance, or traffic control relative to any standing zone, loading zone, or valet zone.
2. The applicant acknowledges that the City may unilaterally revoke the use of the zones for any reason including, but not limited to, traffic improvement.
3. Only the City can tow any vehicles from a standing zone, loading zone, or valet zone.
4. Neither the applicant nor anyone acting on the applicant's behalf shall alter, deface, remove, relocate, or destroy any signage installed by the City.
5. The applicant acknowledges that the standing zones, loading zones, and valet zones are not private parking spaces. The City shall unilaterally revoke the zones if they are used for private parking.

OTHER

1. The applicant shall promptly notify the City if the signage or poles are damaged or stolen.
2. The applicant shall retain all written records of any communications with the City relative to the signage and any and all financial matters related thereto.

MEMORANDUM

To: The Honorable Carrie M. Austin
Chairman, Committee on the Budget and Government Operations

From: Rebekah Scheinfeld
Commissioner, Department of Transportation

CC: Deanne Millison
Mayor's Office of Legislative Counsel and Government Affairs

Date: November 2, 2017

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 6 - Vaulted Sidewalks

The attached information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Reilly asked for an itemized list of non-compliant vaulted sidewalk citations and the number of vaulted sidewalks that are permitted in the City of Chicago.

CDOT issued 8 citations for failure to maintain a vaulted sidewalk in 2017 to date. There were no citations issued for failure to maintain vaulted sidewalks in the 42nd Ward.

Per City of Chicago Municipal Code Chapter 10-28-450, vaulted sidewalks are permitted through the Department of Business Affairs and Consumer Protection. The attached list has been provided to CDOT from DBACP. In addition, DBACP would have more information on the number of locations that were issued a notice to cure for failure to obtain a permit (Grant of Privilege) for private use of vaulted sidewalk space.

As always, please let me know if you have any further questions.

CHICAGO DEPARTMENT OF TRANSPORTATION
CITY OF CHICAGO

MEMORANDUM

To: The Honorable Carrie M. Austin
Chairman, Committee on the Budget and Government Operations

From: Rebekah Scheinfeld
Commissioner, Department of Transportation

CC: Deanne Millison
Mayor's Office of Legislative Counsel and Government Affairs

Date: November 2, 2017

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 07 – Vacancies

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Reilly asked CDOT to provide a breakdown of the number of vacancies in our department.

The vacancy breakdown is:

Commissioner's Division = 3
Administration Division = 7
Engineering Division = 17
Traffic Safety Division = 2
Infrastructure Management Division = 8
Sign Management Division = 6
Project Development Division = 9
Electrical Operations Division = 47
In-House Construction Division = 55

Total Vacancies = 154

As always, please let me know if you have any further questions.

Date: November 2, 2017

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 08 – Zero-Based Budgeting Non-Personnel

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Reilly asked for CDOT to provide savings that were identified on non-personnel line items due to zero based budgeting.

Overall CDOT's budget was decreased by \$2M for 2018 compared to 2017. Of the \$2M decrease, \$1.5M is for personnel due to the higher turnover target set by OBM and \$500K was for non-personnel costs. Our department identified several accounts (see below) that were reduced in order to comply with the request for zero based budgeting. Due to some of our reductions, we were able to accommodate an increase in our maintenance and repair budgets for Landscaping Median Maintenance, Lower Wacker Drive Tunnel, Union Station Viaducts, Albany Park Tunnel, Underground Markings and Bridge Surveys while still reducing our non-personnel accounts by \$500K.

Non-Personnel Accounts Reduced for 2018:

- Account 0150 – Publication and Reproduction
- Account 0154 – Rental and Maintenance of Data Processing Hardware
- Account 0159 – Lease Purchase Agreements for Equipment
- Account 0169 – Technical Meeting Cost

- Account 0178 – Freight and Express Charges
- Account 0181- Mobile Communication Services
- Account 0188 – Vehicle Tracking Service
- Account 0190 – Telephone – Non-Centrex Billings
- Account 0245 – Reimbursement to Travelers
- Account 0270 – Local Transportation
- Account 0340 – Material and Supplies

As always, please let me know if you have any further questions.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 09 – Non-Union Raises

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Reilly asked to provide a list of non-union personnel who are receiving an unscheduled salary increase in 2018.

There are no non-union employees receiving a salary increase in 2018.

As always, please let me know if you have any further questions.

Date: November 2, 2017

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 10 – Efficiencies and Cost Reductions

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Reilly asked for CDOT to provide a list of general efficiencies and cost reductions achieved in 2017.

Listed below are several areas whereas CDOT has had efficiencies, cost reductions or both:

- 1. Sign Management** -- Expanding the use of single face/center mount signs for curbside regulation signage. These signs do not need to be double faced per MUTCD. This has saved time in production and installation. For the first three (3) quarters of 2017, we have produced over 8000 single face signs that would otherwise have been double faced. This has saved us approximately \$19 per sign or over \$152,640.00 thru October of 2017. In addition, this has allowed us to produce 30,000 signs for the first three (3) quarters of 2017 versus 24,537 signs produced over the same period in 2016. This is an increase of over 5,000 signs.
- 2. In House Construction** – Approximately 1,600 ADA ramps were constructed prior to street resurfacing (instead of post resurfacing) which has a savings of approximately \$300 per ramp for a total estimated savings of \$480,000. This method also produces a better final product. When ramps are built prior to resurfacing, it avoids cutting into a

new street and the need for an asphalt top off. Also, there are fewer seams in the roadway that could fail at a later date.

- 3. Traffic Safety** - In the 2012 -2015 period, CDOT through IDOT obtained National Highway Safety Administration (NHTSA) funds to implement a new crash reporting system at CPD for entering traffic crash reports directly on an electronic system. This system went live in CPD District offices in 2015 but could not be rolled out to the field due to many squad cars lacking the right computer hardware to run the new program. In 2016 CDOT through IDOT obtained NHTSA funds to upgrade laptops in 484 CPD squad cars to facilitate the use of the electronic crash reporting system in all cars without newer hardware. The new hardware was rolled out at CPD this summer. With the completion of the laptop upgrades at all the CPD districts, CPD is now fully electronic in crash reporting. The crash reports which previously took over a year to receive are now available to CDOT on the same day for safety analysis.
- 4. Performance Management** - In 2016, CDOT continued to streamline the new loading and standing zone process. The process was further enhanced in early 2017 by documenting the requests for sign removals and zone amendments within CDOT's Loading Zone SharePoint site for better collaboration and tracking. CDOT is also coordinating efforts with the Office of Budget & Management on a loading zone length reduction initiative, and the Department of Finance on conversion of business' paid loading zones to user-paid commercial loading zones. The loading zone length reduction initiative will help reduce the City's "True-Up" cost owed to Chicago Parking Meters LLC and allow for commercial zone use during established hours and non-commercial use off-hours to optimize zone use.

As always, please let me know if you have any further questions.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 11 – Right of Way Revenues

The attached information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Waguespack asked CDOT to provide a list of all intrusion of Right of Way revenues over the past 12 months, itemized and include parking.

Attached please find a list of revenue sources attributable to intrusion in the City's Right of Way or Public Way. The revenues were collected over the period of October 2016 through September 2017.

As always, please let me know if you have any further questions.

City of Chicago		
Department of Transportation		
<u>Right of Way Intrusion Revenues</u>		
		Revenue
		Collections
<u>Revenue Account</u>		<u>Oct. 2016-Sept. 2017</u>
Public Way Suspense/CASE Permits		\$107,705
Movie Production Reimbursements		\$182,341
Alley Openings		\$385,526
Street Openings		\$11,990,825
Driveway Construction		\$83,147

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 12 – Warranty Work

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Waguespack asked for the types of warranty costs picked up by CDOT, the value of warranty work paid for by contractors and the amount rejected by contractors that had to be paid by CDOT in the last year.

In the last year, there was no warranty work that was rejected by contractors that CDOT had to perform. CDOT does not have any records of the value of warranty work paid for by contractors since the city did not make any payments for this work.

Please be advised that CDOT does conduct a final inspection of contracted locations prior to the expiration of the warranty.

As always, please let me know if you have any further questions.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84-15 - Divvy Ridership

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Thompson asked for the stats on Divvy ridership and whether or not rideshare has an impact on Divvy ridership.

Through the third quarter of 2017, Divvy ridership is up more than 5% over the same period last year. Membership is also up this year from ~34,000 last year to over 37,000 this year.

We don't have a way to determine if rideshare has had any impact on Divvy ridership.

As always, please let me know if you have any further questions.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 16 – Workforce Ethnicity of CDOT Contractors

The information provided is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman David Moore asked for the ethnicity of the workforce for all CDOT contractors (primes and subs). The City does not have ethnicity information on non-labor hour employees. We have discussed your request on that matter with the Department of Procurement Services, and it is our understanding that they are working directly with Law on a solution.

As always, please let me know if you have any further questions.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 18 - Menu Consultants

The attached information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Lopez asked that CDOT provide a list of consultants from the Menu program or consultants CDOT uses that relate to Aldermanic projects and who the Aldermen interact with on a daily basis.

The Menu Program uses consultants to supplement and assist CDOT professional staff. The consultants primarily used for the Menu program are made available through a professional service contract. The contract was awarded this year to a consortium called C*NECT. The scope of services performed for Menu related work through this contract includes entering locations received, surveying concrete and asphalt locations for sidewalk, curb and gutter projects, streets and alley resurfacing jobs.

CDOT also utilizes different consulting firms for other Menu related services such as residential and arterial lighting, and traffic calming analysis. Finally, CDOT's Project Coordination Office uses consultants to administer the dotMaps system for utility coordination, permit identification, and project sequencing.

As requested, the attached is a list identifying individual consultants and their companies who interact with Aldermen for Menu related work on a routine basis.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 20 - Speed Feedback Sign Information Requested

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman David Moore requested a listing of current speed indicator sign locations in the City and the cost associated with installing a speed indicator sign near an existing automated speed enforcement camera.

In 2018, the Chicago Department of Transportation will bid a term agreement that will allow for the procurement of speed indicator signs and other devices to support traffic movement in the City. This will allow for speed indicator signs to be available in the Aldermanic Menu program.

Currently, the Department of Transportation has 50 solar powered speed feedback indicator signs deployed across Chicago. Twenty-five (25) more solar powered signs will be deployed in late 2017 through 2018 that is part of a federal grant for the Safe Roads to Schools and Safe Roads to High School Programs. These 25 signs will be deployed in high crash corridors.

The current 50 solar powered speed indicator signs (see attached listing) were installed in Child Safety Zones with and without automated speed enforcement cameras being present. The solar powered speed indicator signs are dependent on the sun, and therefore can be inoperable due to a lack of sunlight. These 50 signs were previously purchased by the City of Chicago between

2012 and 2017. The costs ranged from \$5,000 to \$12,000 per sign. These procurements are no longer available to CDOT.

Of the 150 automated speed enforcement cameras that are currently active in Chicago, to install a speed indicator sign for each direction of traffic that is enforced, CDOT would need to install approximately 205 additional solar powered speed indicator signs, and maintain them on an ongoing basis. The estimated cost for the signs, installation and engineering would be \$2.8M. We also estimate that the expected additional annual replacement and maintenance cost would be approximately \$450,000.

As always, please let me know if you have any further questions.

Existing Speed Feedback Signs – As of 10/30/17

ID# 84 - 20

CHICAGO DEPARTMENT OF TRANSPORTATION
CITY OF CHICAGO

MEMORANDUM

To: The Honorable Carrie M. Austin
Chairman, Committee on the Budget and Government Operations

From: Rebekah Scheinfeld
Commissioner, Department of Transportation

CC: Deanne Millison
Mayor's Office of Legislative Counsel and Government Affairs

Date: November 2, 2017

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 21

The attached information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman David Moore asked for a list and breakdown of 2017 awarded contracts by location of the Prime vendor: City, State and Out of State. Below is the overall breakdown and attached is the detailed breakdown by awarded contracts for 2017.

CITY	\$ 434,564,519.84	85.03%
STATE	\$ 76,502,861.37	14.96%
OUT OF STATE	\$499	0%
TOTAL	\$ 511,067,880.21	100%

As always, please let me know if you have any further questions.

CHICAGO DEPARTMENT OF TRANSPORTATION
CITY OF CHICAGO

MEMORANDUM

To: The Honorable Carrie M. Austin
Chairman, Committee on the Budget and Government Operations

From: Rebekah Scheinfeld
Commissioner, Department of Transportation

CC: Deanne Millison
Mayor's Office of Legislative Counsel and Government Affairs

Date: November 2, 2017

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 22 – Senior Management Evaluations

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Cardenas asked for how CDOT employees' performances are evaluated.

New CDOT employees receive performance evaluations during the first six months of employment, and thereafter. Salaried employees are evaluated annually for merit increases. For all employees, when performance is below minimum acceptable standards, written intervention is initiated that may lead to employee discipline, up to and including termination. CDOT utilizes the Department of Human Resources' standardized forms to conduct the above noted evaluations.

CDOT senior management receives performance evaluations by establishing, tracking and reporting on Division goals. Division goals and initiatives are based on continual program and operational improvements. Deputy Commissioners identify and report on their Division's performance on achieving each goal to the CDOT Commissioner's Office periodically throughout the year. The CDOT Commissioners Office takes action as needed to address any deficiencies.

As always, please let me know if you have any further questions.

CHICAGO DEPARTMENT OF TRANSPORTATION
CITY OF CHICAGO

MEMORANDUM

To: The Honorable Carrie M. Austin
Chairman, Committee on the Budget and Government Operations

From: Rebekah Scheinfeld
Commissioner, Department of Transportation

CC: Deanne Millison
Mayor's Office of Legislative Counsel and Government Affairs

Date: November 2, 2017

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 25 - Vaulted Sidewalks

The attached information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman Smith asked for an itemized list of non-compliant vaulted sidewalk citations and the number of vaulted sidewalks that are permitted in the City of Chicago.

CDOT issued 8 citations for failure to maintain a vaulted sidewalk in 2017 to date.

Per City of Chicago Municipal Code Chapter 10-28-450, vaulted sidewalks are permitted through the Department of Business Affairs and Consumer Protection. The attached list has been provided to CDOT from DBACP. In addition, DBACP would have more information on the number of locations that were issued a notice to cure for failure to obtain a permit (Grant of Privilege) for private use of vaulted sidewalk space.

As always, please let me know if you have any further questions.

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 - 27 - Transportation Infrastructure Investments

The attached information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman David Moore asked for a breakdown by neighborhood of all transportation infrastructure investments for 2015, 2016, and 2017.

Attached are three reports from the City's Capital Program Management (CPM) system showing capital investments for 2015, 2016, and 2017.

Please note that CPM does not capture Menu funded improvements. A breakdown of these investments can be found on the Office of Budget and Managements website:

https://www.cityofchicago.org/city/en/depts/obm/provdrs/cap_improve.html

As always, please let me know if you have any further questions.

Note Last Updated on 26-APR-16</p> <p>EJOC #14-84-12A-011 is 100% complete. EJOC #14-84-12A-018 is 10% complete and on-going. Note Last Updated on 24-FEB-16</p> <p>EJOC #14-84-12A-018 Emergency JOC initiated on December 2, 2015 and approved via email by DPS the same day. Scope of work consists is rewinding another motor, rehabilitating the drive and inspecting cable. Note Last Updated on 27-JAN-16</p> <p>EJOC # 14-84-12A-011 Emergency JOC initiated on May 21, 2015 and approved via email by DPS on May 21, 2015. Scope of work consists of rewinding one of the motors. The motor will be removed from the bridge house on June 7, 2015 and sent to the shop for repairs. This is an emergency as the bridge got stuck in the open position several times during a lift in the past couple of weeks. Bridge is a critical crossing for the Ford plant operations nearby. Note Last Updated on 28-SEP-15</p> <p>Construction is 90% complete. JOC SOR was approved on 09/17/15. Note Last Updated on 28-SEP-15</p>

<p>Still coordinating on issues with other agencies and property owners. Note Last Updated on 01-SEP-09 The design team has started. CDOT is coordinating with DOWM-Sewers Section because they are replacing an 8" main north of the centerline of Foster. Note Last Updated on 05-AUG-09 Still waiting for the Task Order to be in place. Note Last Updated on 29-JUN-09 The contract is being processed. Note Last Updated on 27-FEB-09 CDOT had a meeting with the alderman to discuss the project scope. The alderman expressed the need for pedestrian count down on the traffic poles. CDOT will investigate the possibility of this given the age and condition of the poles. Note Last Updated on 25-FEB-09</p>

Still coordinating on issues with other agencies and property owners. **Note Last Updated on 01-SEP-09**

The design team has started. CDOT is coordinating with DOWM-Sewers Section because they are replacing an 8" main north of the centerline of Foster. **Note Last Updated on 05-AUG-09**

Still waiting for the Task Order to be in place. **Note Last Updated on 29-JUN-09**

The contract is being processed. **Note Last Updated on 27-FEB-09**

CDOT had a meeting with the alderman to discuss the project scope. The alderman expressed the need for pedestrian count down on the traffic poles. CDOT will investigate the possibility of this given the age and condition of the poles. **Note Last Updated on 25-FEB-09**

Still coordinating on issues with other agencies and property owners. **Note Last Updated on 01-SEP-09**
 The design team has started. CDOT is coordinating with DOWM-Sewers Section because they are replacing an 8" main north of the centerline of Foster. **Note Last Updated on 05-AUG-09**
 Still waiting for the Task Order to be in place. **Note Last Updated on 29-JUN-09**
 The contract is being processed. **Note Last Updated on 27-FEB-09**
 CDOT had a meeting with the alderman to discuss the project scope. The alderman expressed the need for pedestrian count down on the traffic poles. CDOT will investigate the possibility of this given the age and condition of the poles. **Note Last Updated on 25-FEB-09**

End of Report

CHICAGO DEPARTMENT OF TRANSPORTATION
CITY OF CHICAGO

MEMORANDUM

To: The Honorable Carrie M. Austin
Chairman, Committee on the Budget and Government Operations

From: Rebekah Scheinfeld
Commissioner, Department of Transportation

CC: Deanne Millison
Mayor's Office of Legislative Counsel and Government Affairs

Date: November 2, 2017

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 - 28 - Vision Zero Budget

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman David Moore asked for the estimated appropriation for Vision Zero in 2018. He also asked for a description of how the Vision Zero program has rolled out in the South Side and West Side communities.

Capital Investments and Estimated Appropriations for Vision Zero

- Capital Improvements to Date
 - Since Mayor Emanuel has taken office, the City has invested over \$56,880,000 in safety-based capital improvements on twelve Vision Zero High Crash Corridors and has identified almost \$2,000,000 in design funding to develop improvements on an additional sixteen High Crash Corridors.
 - Construction projects will be started and completed in 2017 that will improve over 100 intersections for pedestrian crossings. In 2017, 12 miles of bike lanes serving the City have been added, with an additional 12.5 miles scheduled for construction.
 - Aldermen have committed over \$1 million in Menu funding to support safety improvements in 2017.

- Capital Improvements: Moving Forward
 - For 2018, those safety improvements are again highlighted as Vision Zero improvements in the Menu, and CDOT will again be providing recommendations for Aldermen whose Wards are impacted by high crash areas or high crash zones with identified traffic safety issues.
 - Improvements at over 150 intersections are currently planned for 2018.
 - CDOT was awarded \$1,374,125 to implement targeted traffic safety improvements on four high crash corridors identified in the *Vision Zero Chicago Action Plan* through the 2017 *Invest in Cook Program* administered by the Cook County Department of Transportation and Highways. CDOT's application, which prioritizes infrastructure improvements on several corridors in high hardship communities, was recognized for promoting access to economic opportunity. The corridors included in the grant award are: Ashland Ave - 69th St. to 59th St., Chicago Ave. - Central Ave. to Latrobe Ave. (Retail Thrive Zone), Halsted St. - 79th St. to 75th St., and Western Ave. - Irving Park Rd. to Lawrence Ave. The funding covers design on Halsted and construction on all corridors. Typical project scope includes pedestrian refuge islands, bump-outs, pedestrian countdown timers, signal retiming, and striping and signage upgrades. Design is currently underway. Construction is planned for summer 2018.
 - In addition to the Invest in Cook grant, CDOT has identified approximately \$2,335,000 in construction funding for safety-based capital improvements on an additional six High Crash Corridors identified in the Vision Zero Action Plan.

Program Rollout

In June, the Mayor released the Vision Zero Chicago Action Plan, a starting point for the City's effort to eliminate fatalities and serious injuries. This report includes data, goals and priorities to help the City make roadways safer for all users, and is a starting point for the conversation on how we can work together to reach zero fatalities. CDOT, in partnership with Chicago Department of Public Health, secured grant funds from the National Safety Council to pilot a community-based approach to implementing Vision Zero on the West Side. Through this program, we are taking a closer look at the West Side communities that are most disproportionately affected by traffic crashes including East & West Garfield Park, North Lawndale and Austin. Since the program's launch in June, over 5,000 West Side residents have received information about Vision Zero and had the opportunity to contribute their input and opinions. CDOT and CDPH will work together to evaluate the Vision Zero West Side program to refine the approach with the hopes of replicating the program on the South Side and the Near Northwest Side if additional funding can be secured.

As always, please let me know if you have any further questions.

Date: November 2, 2017

Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84 – 29 - Police Enforcement Vision Zero

The following information is in response to questions posed at our department's hearing on Friday, October 27, 2017 to discuss the proposed 2018 budget.

Alderman David Moore asked for CDOT's stance on the call for no police enforcement as part of the Vision Zero strategy.

As part of the Vision Zero West Side program, we've spoken with over 5,000 West Side residents to get their input on what approaches should be taken to make the West Side safer from traffic violence, including whether or not police enforcement should be one of the tools. We'll be working with West Side residents to develop specific approaches that will be implemented in West Side communities and neighborhoods.

CDOT's long-established Ambassadors program is adapting, under Vision Zero, focusing on those communities with the greatest need. This year, the Ambassadors educated 105,418 people across 617 events. 44% of the events were in High Crash Communities identified in the Vision Zero Action Plan. At these events, Ambassadors distributed educational materials including Tips for Motorists, the Safe Cycling Guide and the Chicago Bike Map. Ambassadors visited 108 schools and conducted 158 school events, educating 11,650 students. Continuing the Ambassadors ten-year partnership with CPD, together they directly educated over 15,000 people walking, cycling or driving during police engagement events.
