information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the rezoning of the Property from the B2-2 Neighborhood Mixed-Use District and then to this Residential-Business Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site. The Property is located in a low-moderate income area, within the meaning of the ARO, and the project has a total of 48 new units. As a result, the Applicant's affordable housing obligation is a minimum of 5 affordable units (10% of 48 rounded up/down), 1 of which is Required Units (25% of 5, rounded up/down). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$50,000 per unit (Cash Payment) and/or providing a minimum of 5 affordable units in the rental/for sale building to be constructed in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. The Applicant agrees that the affordable rental/for sale units must be affordable to households

earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

Notwithstanding the foregoing, if the Applicant receives Low-Income Housing Tax Credits, tax increment financing or other financial assistance whose affordability requirements exceed those of the Affordable Housing Ordinance from the City to develop affordable housing in any portion of the Planned Development (PD), the regulatory, redevelopment, loan or other agreement(s) to be executed by the City and the Applicant in connection with such tax credits or other financial assistance shall govern and control the Applicant's obligation to provide affordable housing for such subsidized portion of the PD.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to the former B2-2 Neighborhood Mixed-Use District that existed prior to this Planned Development.

DEPARTMENT OF PLANNING AND DEVELOPMENT
CITY OF CHICAGO

March 5, 2019

Mr. Patrick Murphey
Zoning Administrator
Department of Planning and Development
121 North LaSalle Street, Room 905
Chicago, IL 60602

RE: Proposed zoning application for a Planned Development,
5900-6300 South Halsted Street, Chicago, IL as affordable housing by KBK Development

Dear Mr. Murphey:

I, David Reifman, Commissioner of the City of Chicago Departments' of Planning and Development and of Housing, authorize KBK Enterprises LLC, an Ohio limited liability company, as proposed buyer, to submit a rezoning application to the City of Chicago for the City owned property located from 5900-6300 South Halsted Street (addresses and PIN numbers attached). The rezoning application would change the zoning of the subject property from B2-2 (Neighborhood Mixed Use District) to a Planned Development. The proposed future use of the property will be the new construction of eight, four story buildings, that will house 80 rental apartments, off-street parking, commercial, and community spaces along Halsted Street. This development will provide affordable housing that is needed for the community.

Please note, this application is subject to the required process for review and approval by the Chicago Plan Commission, the City Council Committee on Zoning, Landmarks and Building Standards, and the City Council.

Sincerely,

David L. Reifman
Commissioner
